Norton County Weather – September 25th –29th

Normal High: 75
Normal Low: 46
Sunrise: 7:26 to 7:29am
Sunset: 7:32 to 7:33pm

The area woke up to a chilly temperatures this morning and tonight looks just as cold with lows dropping into the middle 40's. Precipitation the past couple of days was light and scattered around the County just enough to settle the dust for those farmers planting wheat. The rest of the week will be dry with temperatures climbing back into the 80's. The next chance for moisture to spring the wheat out of the ground will come this weekend!
