Norman and Tessa Davis and Barney Kacirek spent Christmas in Arkansas. Barney was a guest of his daughter, Kit, and her children in Springdale, Ark., and Norman and Tessa were guests of his children at Fayetteville, Ark.

Letter to the Editor

Letter to the Editor:
Born nine weeks premature, Haleigh Westadt of Colby struggled as a newborn. She received blood and a blood product, fresh frozen plasma, when she was 11 days old, and more plasma when she was 13 days old.

Westadt, all of Colby. "When she received the blood and blood products, her blood sugar stabilized, her blood pressure stabilized and the bleeding in her lungs stopped. It was amazing.

"Miraculously, she took herself off of her ventilator," Pam said. "She literally pulled it out of her mouth, which she wasn't supposed to do, and she started breathing on her own. They told us she would be

in the hospital for two months, but she was there 24 days."

Because she received good health care and had blood and blood products to help her overcome obstacles, Haleigh is now 5 years old and hasn't been back to the hospital since she left on day 24 of her life.

"I am always so thankful for having Haleigh," Pam said. "Without the people who donated blood and blood products, we wouldn't have made it past that 11th day."

I would like to encourage everyone to share their miracle of life and donate blood on Jan. 9 when St. Francis will host an American Red Cross blood drive. The drive will be held at the St. Francis Grade School gym from 8 a.m. to 2:30 p.m.

If you are in general good health, at least 17 years of age and weigh at least 110 pounds, I hope you will consider taking time out of your busy schedule to donate blood. By giving a small amount of your time, you may be helping a cancer patient, a burn victim, someone needing surgery or someone like Haleigh.

For more information on donating blood, how to volunteer, or to schedule an appointment, please call the American Red Cross at 1-800-GIVE LIFE.

New adult Sunday school classes to begin

On Sunday, Immanuel United Methodist Church will begin an adult Sunday school class titled, "Beliefs-Basic Christianity." The course will be taught by Pastor Doug Mason and is designed for people who don't know much about

the Bible, but would like to learn. The class will operate in a non-threatening manner that takes a life-application approach to classic Bible stories. The Beliefs course is only six weeks long, running from 9:30 to 10:30 a.m. the next six Sundays.

In With The New!

With the oncome of the New Year comes the new arrival of that bundle of joy!

Who will be that First Baby of the year 2003?
