Lines From the Library

Harry Potter's new book, *Order of the Phoenix*, is here! For this much awaited book special library rules are in force. There are nine on the reserve list waiting to read it. A second copy should be arriving within the week to speed up the reading sequence.

Other popular new titles are *King of Torts* by John Grisham, *The Guardian* by Nicholas Sparks and Tony Hillerman's *The Sinister Pia*.

Recent donations from Herman

Antholz added 25 new Tom Clancy and Robert Ludlum titles to circulation. This is great news for the mystery reader.

The library recently purchased an 11 set video collection featuring national parks. Patrons who have watched them say it's as good as being there.

The summer reading program is in full swing. Darci Kehlbeck is in charge of a lively bunch. She is assisted by Brit-tany Kehlbeck and the kids are having a great time.
