The ancient Greeks told the tale of Sisyphus. Because he was a human prankster who decided to trick the Greek gods he was doomed for eternity to continually push a large boulder up a hill. When he reached the summit the rock would roll back down the hill and he would begin again. Being from Colorado I'll bet that got tougher further up the sloop.

This story reminds me of a group of people from around here. They are the parents and supporters of the Cheylin football team.

Now I will never cut down the team. The coaches and players have fought hard in practice and play through out the year. However success has come in small portions for the squad. Rather than wins it has been an individual catch, run or

But they have had one constant at each event. Whether the game is at the Cheylin High School field or at the most distant opponent's grounds the men have known the familiar voices from the sideline and seen approving smiles at a play done well.

It is hard to "root" for a team that does not win everytime, believe me, I'm a Red Sox fan. But just like from something deep within. Just

Volleyball players finish season

By Casey McCormick

The Lady Cougar varsity volleyball season has come to a close at the Regional Tournament in Brewster on Tuesday, Oct. 21. The girls won their first match against Sharon Springs but fell in the deciding match against Brewster.

Against Sharon Springs "Our team really pulled together this match," said head coach Tammi Carmichael. The scores were 28-26, 18-25 and 15-11 and a win.

In the first game Sara Moore and Hayley Young did a solid job at the net. Moore had four ace hits and three good hits as well, Young added in three, and Kylie Dixson and Afton Krien each had one. "We played well our first game, talking and passing well," said coach Carmichael.

They lost the second game but Moore continued to play well with eight hits, three of them for aces. Young had six hits with one

"The final game was intense and with this being Regional play the team knew now was the time to kick in and take the win," said Coach

The Cougars used a good team effort in the 15-11 victory.

"With teamwork, anticipation and the need to win, the girls beat Sharon Springs for the first time in many years ... this in itself was a milestone for this year's Cheylin team," said coach Carmichael. Cheylin advanced into Regional play to take on the Brewster Bull-

Game one found Brewster winning by 12 points. The Cougars played well, Young with two points and the most serving points which helped the score.

The second game saw the ladies with their backs against the wall. They fought hard but could not mount a comeback. "Unfortunately the game score of 13-25 was not what the Cheylin girls had hoped The third game was necessary for, nor was the ending they had throughout our season."

looked forward to," said coach Carmichael.

Dreams of sub-state were not to be. "We had a good season with a 15-14 record," said coach Carmichael, "no we did not make it to sub-state like we had hoped for, but this team put forth a great effort and they had a great sea-

Coach Carmichael wanted to close the year by recognizing her players for their commitment and hard work, the senior leaders who provided inspiration and taught the younger players, Sylvia Hubbard and Neva Lou Holub for keeping the team books, Coach Beeson for her hard work, her family for their support and Mr. Dave Zumbahlen for all of his expert line judging. "Last, but not least to the parents and fans who traveled and made their voices hears at many of our games," said Coach Carmichael, she recognizes "all of your support and your cheers of encouragement
