# Cougars on road for final regular season contests

By Casey McCormick

The Cheylin Cougars ended their regular season on a low note, losing the last two games on the road.

On Tuesday, Feb. 15, they played against Golden Plains in Rexford.

"They pretty much controlled the game," said Head Coach Clayton Janicke. "We hung with them early, only down 13-10. They finished the first quarter with a 10-2 run to make it 23-12."

The Wildcats also had success from the three point area, scoring seven in the first half. At half it was 42-17.

"That was pretty much the game," said Coach Janicke. "We shot a little better in the second half, but the game was pretty much over already."

One standout was Brandon Gordon who showed a lot of hustle and scored 10 points.

"This effort earned him a starting spot against Sharon Springs," said Coach Janicke.

At Sharon Springs the Cougars got off the a good start again. Part of this was due to the other school's senior night and not using their regular starters.

"At the end of the first quarter we were ahead 12-8," said Coach Janicke, "and we were able to gain some confidence."

But the Cheylin offense stalled and they led by 10 at the half.

"We still felt we were in the ball game if we could hit some shots in the second half," said Coach Janicke.

Unfortunately the offense stayed cold and Bulldogs were able to build a 20 point lead by the end of the third period.

"We managed to get some good looks in the fourth quarter, but the game was too far gone," said Coach Janicke, "They still managed to outscore us in the fourth quarter by 27 points."

Even with an all out offensive show, two players scored in double figures. Andrew Marshall totaled 12 and Josh Moyer scored 11.
