Suffering silently doesn't make you more of a man.

Men are taught to ignore their feelings. Maybe that's why men are four times more likely to commit suicide than women. Emotions don't make you less of a man. Neither does asking for help. We are here for you, too.

You wouldn't ignore chest pains. You shouldn't ignore your feelings either. Please let us help.

Annual U.S. 36 Association meeting set for June 9 and 10 to be held in St. Francis

By Karen Krien

People, most of them members of the U.S. 36 Highway Association, will gather in St. Francis on June 9 and 10 for the annual meeting.

The U.S. 36 Highway Association promotes traveling along the well-maintained highway that travels east to west through Kansas and on into Missouri and Colorado.

It has been years since the Association has held a meeting in St. Francis but, Milton Lampe, one of the directors, decided to invite the members to meet in western Kansas this spring and they took him up.

The meetings will be held at the Dusty Farmer Restaurant. A bus tour to The Breaks, Three Corners and other points of interest will be held at 3 p.m. on Thursday. A reception and hospitality time will begin at 6 p.m. At 8 p.m., the Cheyenne County Museum will be open and people are welcome to see the many displays.

On Friday, the day will begin with coffee and donuts furnished by the St. Francis Area Chamber of Commerce. St. Francis mayor Scott Schultz will give the welcome and Steve Haynes, president of the Association, will precede with the meeting.

There will be reports from the officials from the departments of transportation in Kansas, Missouri and Illinois, along with the

Federal Highway Administration. There will also be a time for general discussion with Kansas legislators.

The guest speaker will be local historian, Tobe Zwegardt.

After lunch, there will be a business meeting and the election of

officers. The meeting is open to all U.S. 36 members and any other individuals interested.

Besides Mr. Lampe, Bud Erskin is also a U.S. 36 director. Elmer Kellner, St. Francis, is a field representative.

Student receives honor

The United States Achievement Academy announced today that Kelsi Miller from Strasburg, Colo., has been named a United States National Award winner in foreign language. Kelsi, will be a junior at Strasburg High School.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes fewer than 10 percent of all American high school students.

Kelsi, who attends Strasburg high school, was nominated for this national award by Mauricio Ramirez, a teacher at the school. Kelsi will appear in the United States Achievement Academy official yearbook which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history," said Dr. George Stevens, founder of the United States Achievement Academy, "Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to excellence and achievement."

The academy selects United States Achievement Academy winners upon the standards of selection set forth by the academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a qualified sponsor.

Kelsi is the daughter of Dan and Deana Miller of Strasburg. Grandparents are Dean and Theresa Knapp of Bird City and Bobbie Miller from McDonald. Her great-grandmother is Charlotte Wahrman from Atwood

Historical Society announces plans to celebrate Flag Day

A program celebrating Flag Day will be held at the June 14 meeting of the Cheyenne County Historical Society. The meeting will begin at 6:30 p.m. at the Cheyenne County Museum on U.S. 36.

"We would like everyone to come to the meeting and help us celebrate Flag Day," said Louanne Isernhagen, society member.

The evening will begin with the invocation by Pastor Glenn Isernhagen, followed by the raising of the American flag by the Boy Scouts and Girl Scouts. The Na-

tional Anthem will be sung and Pledge of Allegiance recited.

There will be a short presentation of the history of the American flags as each is displayed. A few favorite patriotic songs will be led by Marsha Magley and Louanne Isernhagen. Reverend Marvin Zimelman will close the program with the benediction and table prayer, followed by the picnic supper.

Chuck Kribs will barbecue meat and beans for the picnic and attendees are invited to bring a salad or

dessert to share. A free-will offering will be taken to defray the cost of the meat. Drinks and table service will be provided. The barbecue will be held outside if the weather is nice.

At 8 p.m. the Scouts will post the colors and lower the flag. Taps will be played by trumpeter Andrea Blair. The museum will be open for browsing until 9 p.m.

For more information, call the museum at 785-332-2504 or Margaret Bucholtz, president, at 332-2040.
