Thank You

Thanks to all my friends and family who sent me cards and attended my birthday party. Thanks also to the Good Samaritan Village staff for their help with the party. Mildred Burr

When I was younger, I can remember a song that was frequently played on the radio and that my parents had on an old record. The first line was something like this. "I love the dear hearts and gentle people who live and love in my home town." I recently had experience of the dear hearts and gentle people in

my home town of Haigler and in the Tri-State area during the time following the death of my husband, Royce. I owe many people debts I can probably never repay. I am so thankful for all the help, support and hard work; especially help getting ready for the sales, with the funeral, the food, cards, prayers, hugs, generous memorials to our church, and so many other acts of kindness my family and I were shown. The people of the Tri-State area are indeed the very best in the world. Thank you from the bottom of my heart. Marsha Stute and family

Thanks so much to all the businesses that made donations so that our student-athletes could go to listen to Dan Gable at Colby. We often overlook your contributions but appreciate them nonetheless. St. Francis Coaches

Cheyenne County Head Start would like to thank the following businesses and people who made donations that helped make our Health Care Institute a special one and a big success! St. Francis Supers, Video Connection, Cheyenne County Health Department, City of St. Francis, Lawn Ridge 4-H Club and St. Francis Elementary School

We wish to thank everyone for the beautiful cards and verbal congratulations, also the flowers and balloons we received for our 50th anniversary. You helped make it very special. It was good to hear from our friends and relatives. God bless all of you. Don and Florence Antholz

A sincere thank you to Dr. Miller and staff, and hospital staff for the wonderful care I received after my knee surgery; to all our Salina Journal customers for their patience; to Pastor Farmer; and for the calls, cards, flowers, food and visits. Ken Wilkening Sr.

Thank you to the class of 1985 for the plant given in memory of my dad. Your thoughtfulness is appreciated. Sincerely, Paula Crabtree

I would like to thank everyone that came to my dance and to everyone who helped Seth and me while I have been at home. Thanks, Priscilla Prentice
