

Program planned in Sainty

The Wichita Children's Theatre will present the well-known tale of *The Little Red Hen* at the St. Francis Elementary School at 9:30 a.m. on Friday, Oct. 12.

This is one of the four area school presentations in conjunction with the Western Plains Arts Association performance of the play at Quinter High School auditorium on Thursday, Oct. 11 at 7:30 p.m. Admission for the evening performance will be by Western Plains Arts Association season ticket, or at the door.

Other area schools to view the presentation are Oberlin and Hoxie on Thursday, Oct. 11 and Colby Elementary following the St. Francis engagement on Friday.

The musical version of the fable tells the story of The Little Red Hen, who is a nice little lady, known and loved by all the barnyard animals until she asks, "Who will help me make the bread?"

All of her friends are too busy to help until it comes time to eat the delicious bread, when they all scramble to her doorway. Well, she has a surprise for them! The story is about what makes true friendships.

Wichita Children's Theatre Professional Touring Company performs from September through February throughout six midwestern states. They are professional in every facet of their productions.

This event is made possible by Western Plains Arts Association with additional funding from the Kansas Arts Commission.

Boxes to be filled for Christmas gifts

The Supporting Our Soldiers Christmas boxes are being packed in a little over a week and Hulda Dorsch and Christy Wurm, Cheyenne County Chairmen, are reminding everyone that the time to participate is growing short.

Operation Supporting Our Soldiers has a goal of providing support to troops serving the United States overseas. In partnership with National Make A Difference Day sponsored by USA Today, Operation Support Our Soldiers is putting on an event to pack 1,000 boxes to send to soldiers overseas in time for the holiday season.

Homemade cookies, holiday

decorations, and other non-perishable items will be packaged and made ready for shipping by volunteers. You are asked to donate your items to the Cheyenne County effort between now and Oct. 13.

Monetary donations are also being accepted, along with items such as personal care items, canned snack food, paperback books, playing cards, DVD's (new and used), nuts, Christmas lights and powdered laundry soap just to name a few.

"Please help us help the men and women serving our country over the holidays," the Cheyenne County Chairmen said.
