Players do well, win game

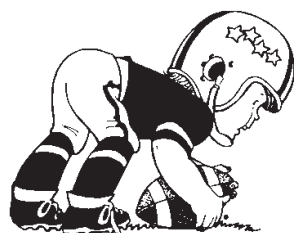

"The flag boys go 3 and 0," Coach Nick Ketzner said. "Cheylin wins 42 to 0. With 'super fly' Martin Veletta on the team, just hand him the ball and let him run."

"It is hard to say just how many yards Veletta ran, but it was a lot. In addition, he had five touchdowns."

"All the boys played well. The coaches tried to spread some of the scoring around and even got the ball to Jacob Brubaker for an end-of pass for a touchdown."

"Conner Hazuka had a center pass as well for a two-point conversion. Eddie Frisbie had a one touchdown."

"Come watch these boys go for a perfect season at the last game!"

Cheylin outscores undefeated Brewster/Triplains squad

"Ohhhhh what a game..... The Cheylin Cougars junior high football team handed the undefeated 5 and 0 Brewster/Triplains football team their first loss!" said Coach Nick Ketzner.

"The players came out focused, ran the ball well, and got the blocks. Everyone did an excellent job on defense to tackle the players coming this way."

"Josh Keltz and Walker Janicke had an excellent game on both sides of the line."

"At half time it was 20 to 0 and we knew we couldn't let down," said Coach Ketzner.

"The Thunderhawks came back after half and showed why they were undefeated and tried to fight back to a 20 to 12 score at

the end of the third quarter, but the Cougars dug in and held off their attack and won 28 to 12.

"I can't say enough how proud I was of the boys! It makes me proud to hear everyone say how these kids are playing over their head and are so much smaller than everyone they have played."

"Miquel Navarro had his best game so far with 187 yards rushing and three touchdowns. Kenan Reeh had 44 yards and one touchdown with one fumble recovery. Adam Orten had only two yards, but the blocking he provided for Navarro and Reeh was important to our success. Just like the rest of the team's blocking

'it comes from everyone!' Heath Churchwell had two recoveries.

"On defense, Reeh had nine tackles with the hardest hit award of the night. Navarro had eight, Ketzl seven, Orten, Rueban Razo, Kaleb Frink, Janicke, Ty Carmichael and Churchwell all had two or three tackles each."

"We are off for one week and play our last game at home against Sharon Springs. We will be seeking another 5 and 2 record like last year. If you haven't had a chance to see these young men play their hearts out, please come and cheer for the boys. You will have to yell a little loud to be heard over the excited coaches on the sidelines. ha ha," said Coach Ketzner.

New Weight. New Health. New You!

Now, there is hope. Hays Medical Center's Bariatric Surgery Program may help you attain a more healthy body weight and other long-term health benefits.

An August 2007 New England Journal of Medicine report says obesity is associated with increased mortality. The life expectancy of severely overweight persons is reduced by an estimated 5-20 years.

Bariatric surgery can lead to long-term weight loss and decreased mortality due to weight-related complications. The health benefits of bariatric surgery may include:

- Significant weight loss
- Lower cholesterol
- Lower blood pressure
- Improvement of Type II diabetes
- Improvement of cardiovascular health
- Relief of sleep apnea
- Relief of digestive problems
- Decreased joint pain
- Improved mobility
- Improved self image

Reclaim your life and your health.

To find out if bariatric surgery is right for you, talk to your primary care physician or call 785-623-5945 today.
