

BUSTER, a remote controlled bus visited students in kindergarten through third grade.

# Robotic bus visits Cheylin students

Tuesday, Sept. 22, a couple of guests visited the pre-kindergartners through third graders at Cheylin Elementary School in Bird City.

One of the guest was Sharon Todd, who works for the Kansas State Department of Education, and runs the Buster School Bus Safety Program. The other guest was "Buster," a remote-controlled robotic school bus that Ms. Todd uses to teach bus safety to school children across Kansas.

Buster is no ordinary remote-

controlled vehicle. He is about the size of a card table and his eyes can wink and blink and his headlights flash on and off. It was a great presentation that was both enjoyable and educational for all.

# Members discuss homecoming meal

Cheylin Booster Club meeting was held on Sept. 21, in the Cheylin High School Library in Bird City with the following members present: Jeri Antholz, Dixie Louderbaugh, Jan Busse, Jane Young, Kendall Cahoj and Laurie Leonard. Reports were given.

The Homecoming meal on Sept 18 was reviewed with the following adjustments suggested for future reference: have small cups for samples of beverages; used 85 pounds of beef and very little leftover; could use two roasters of rice; all 400 tortillas used; need to cut way back on desserts and cut back to about 90 rollensos.

Concession receipts, less cost from Sylvia totaled \$1,598.50, with outstanding bills to be paid to McDonald Grocery, Hometown Market, Maribel Pinon and the cost of referee meals. This also included \$120 from football auction.

The proceeds from the four footballs auctioned totaled \$730.00 and Mrs. Leonard agreed to follow-up on one outstanding check for one of the volleyball sold. Mrs. Young agreed to get the replacement footballs lined up with Max Keltz.

The members all agreed that the meal was very popular with a very large turnout from the community. All of the comments in regards to the Thursday pep rally and coronation were very positive with an overall consensus that the fireworks and ceremonies were really exceptional this year.

The fifth quarter party on Oct. 16 will be cancelled because there is a volleyball game on the next day. Mrs. Louderbaugh agreed to call Denise Keltz, Bobbie Walden and Maria Garcia to ask if they could host the Oct. 29 fifth quarter party.

Canda Orten has agreed to help on Oct. 2 and Mrs. Leonard agreed to ask Deb Orten-Jensen and Kris Burns for assistance on Sept. 25. Members agreed to discontinue

paying for one away game meal for each team this year; this had been done in prior years.

Mrs. Young reported the following ideas from the staff questionnaires returned: teacher lounge chairs, team tent, embroidered team hand towels, three items for weight room. Other possible purchases discussed were a digital camera, portable/reusable team sign, locker room benches, lighting and showerheads, roasters, coolers and replacing curtains at back of stage in McDonald gym.

Mrs. Busse agreed to purchase three to four roasters and will check prices on hand towels, then reported that samples of patches for state qualifiers in track and golf were being sent and she is in the process of finalizing the duffel bags order.

Members agreed to pay \$500 toward the digital camera. Mrs. Leonard agreed to get more information on the items requested for the weight room and to ask Jolene Reeh for more details on team tent/portable sign.

The firework supply for home football games was discussed; Mrs. Leonard agreed to check with Wendy White on whether enough for current season.

Play practice meals will need to be coordinated with Rose Hengen; Mrs. Leonard will contact Mrs. Hengen for more information.

Discussion of Jan. 29 concessions, April 15 State Music Festival and May 12 Awards Banquet will be tabled until future meetings.

The next regular meeting will be at 5:15 p.m. Monday, Oct. 26, in the Cheylin High School Library.
