Program deadline released

The June 1 deadline for enrollment into the 2010 Average Crop Revenue Election (ACRE) Program or the traditional Direct and Counter-cyclical Program (DCP) is rapidly approaching. This deadline is mandatory for all participants and the U.S. Department of Agriculture will not accept any late-file applications.

To date, approximately 73 percent of Kansas producers have enrolled in 2010 programs.

At the current rate of enrollment, a significant number of farms eligible for 2010 Direct and Counter-cyclical Program/Average Crop Revenue Election will not be enrolled by the deadline. All required signatures must also be received by June 1.

Producers are encouraged to call their local Farm Service Agency office at 332-2183 and make an appointment.
