## Thank You

I would like to say thank you to the nurses at the hospital, to Patrick and Dr. Miller for the good care while I was in the hospital. Elmer Zimbelman

We would like to thank all our relatives, friends and neighbors for the beautiful cards and gifts we received for our 50th anniversary. The expressions of good wishes, congratulations and your attendance at the open house was very much appreciated. A very special thanks to our "kids" and "grandkids" for the wonderful job planning and carrying out my big "weekend." Jim and Mildred Barnhart

Thank you friends and relatives and a special thank you to Kathleen, Charles and Cathy for all you have done, for the cards, phone calls and gifts for my 80th birthday. Ruben Bandel

We want to thank you for making our bloodmobile a success. We received 88 units of blood. Thank you to the grade school cooks for a good meal, all volunteers for their help and time. All the Rebekah Lodge members for the cookies, which were delicious. Also for supporting our food sale on May 10, of which all proceeds were donated to the ABC Preschool for a privacy fence.

## In Loving Memory

I remember when you held my hand as I'd say "Nanni let's dance!", and we'd dance the two-step till the end of the day.  
I remember when you'd hold me close, in happy times and sad, to let me know you were with me  
Good times and bad.  
I remember the closeness that we shared, where just watching your eyes said it all, your approval or displeasure was bared.  
I remember our love for one another, so warm and true, no one could ask for a better "Nanni" than you!  
Although I will have tough days ahead, remembering you, I know you are with me, as I look  
At my son and tell him about the special moments between me and you!  
All my love, Candi  
*"I love those who love me, and those who seek me diligently will find me" (Proverbs 8:17) written June 2, 2003*
