> The board is presently in the process of sending out technical information in order to get a second bid on the digital conversion project. A year ago, he said, the high cost of digital made it seem like a nearly impossible goal to the Theater Board, and now it looks likely that we will soon be able to upgrade the theater.

#### **McDonald Area** Development

The McDonald Area Development met on Wednesday, Nov. 3, at the Legion hall with eight members present. Reports were given. The Halloween Soup Supper was discussed. It was reported that they had a good crowd, and that they had been very generous with donations. This is great, as this money helps with the Christmas Bingo. There were a lot of children to break the pinata. This year it was different. Instead of using a stock to break the pinata, they just had to pull strings. So it didn't take very long before the candy spilled on the floor.

ChristmasBingowasdiscussed. McDonald Area Development has a lot of prizes already, and will set them up on the Thursday before the Christmas Bingo Day. Anyone wishing to donate bingo prizes can leave them with Kay of questions asked of school Miller.

# Second chance at life for dog

By Norma Martinez normamartinez@wildblue.net

DeAnza Ambrosier was at her desk in the Bird City clerk's office in July 2009, when she received a call on an abandoned dog. The person calling had seen the dog just south of town for several days, just sitting there as if waiting for its owners to return. The caller had been taking food to it, but thought some one should do something about it.

DeAnza Ambrosier rescued a dog within minutes before the sheriff's office humanely euthanized it. Just days later, Mrs. Ambrosier discovered the dog was about to have puppies, and weeks later realized she not has horses thinking she might only saved one life, but nine lives.

During the U.S. 36 Treasure Hunt one of these puppies was
