Thank you

Congratulations to all those who worked on the 2010 SFCHS year-book for their All-Kansas rating. Special congratulations to Editors-in-Chief Dale Northrup, Kaycee Williams and Ben Neitzel. Congratulations also to design editors

Aubree Schlepp, Mikaela Grace and Ben Neitzel as well as DVD editor Aly Marin.

Thank you so much for the continued prayers and support. We so appreciate the excellent care at the Cheyenne County Hospital from Tyler Raile, the nursing staff, and the Cheyenne County EMS. We are very blessed to have the best family and friends ever. God keeps putting angels in our path. Thanks for being one of those angels. Royce and Darci Kehlbeck.

The family of Chloris Krien would like to extend our heartfelt thanks to the many friends and family who brought all the wonderful food, came by to sit and visit, called to check and see if there was anything they could do, sent all the beautiful flowers, sent the memorials, and the ladies who provided the lunch. A special thank you to Pastor Allan Coon for sharing his message and voice with us to soften the loss of our wife, mother, grandmother, aunt, sister, and special friend. Ferdinand Krien and family

Surgeon General's Warning: Radon Causes Lung Cancer. You Should Test Your Home.

The U.S. Surgeon General recommends that your home be tested for Radon. Radon is the second leading cause of lung cancer. If you have never smoked, Radon is the number one cause of lung cancer. Radon is an invisible radioactive gas that seeps into your home from underground, and the only way you can tell if you have dangerous levels of Radon in your home is to test for it. Radon problems can be easily fixed. For testing information, call or visit:
