Team travels to Weskan and shuts out the Coyotes 46-0

The Cougars traveled to Weskan on Friday to defeat the Coyotes 46-0.

The game seemed evenly matched in the first few series, but Cheylin quickly pulled ahead, scoring 24 points in the first quarter. The rest of the game was the same, the Coyotes never getting on the scoreboard.

Jeremiah White was the leading

scorer for the Cougars, running in three touchdowns and three 2-point conversions in 192-yards. Austin Manners scored twice with 42 rushing yards. Kenan Reeh ran in one touchdown and one conversion in 27-yards and Walker Janicke received a pass in the end zone on the extra point attempt to gain two points for the team.

On defense, Noah Jones

led the team with five tackles, Manners had four, Adam Orten, Ty Carmichael, Luis Solis, Ruben Razo and Janicke all had two and Eddie Frisbie, Ethan Young, Shawn Pochop, White and Reeh all had one tackle apiece.

The Cougars will next face the Natoma Tigers at home on Friday.

American Legion Auxiliary meeting

By Wanda Dowdy

On Oct. 7, the American Legion Auxiliary met at the Legion Hall in Bird City at 2 p.m. with 11 members present.

We were reminded that there is a collection box in the grocery store for the various needs that are for the S.O.S. program. This will need to be shipped out the first of November so we need to be sure to add things to this. We all need to remember those who are serving in Iraq and Afghanistan for our country - especially at Christmas time. They need to know that we support them.

Huldabroughtsomeinformation for us to think about in regards to Sharia law. Some of these laws - especially for women are really disturbing. Men have the right to beat or kill their wives. Men can be polygamists - up to four wives. Women have to be escorted by men to go outside.

Testimony by women is given only half from that of men and testimony from anyone that is not a Muslim may be excluded. The Koran trumps any constitution - even the United States constitution.

There are many radical Muslims who are living in this country and some of them are trying to put through Sharia law. Missouri is one state that has taken a stand that English is the only language that will be used for applying for anything in this country - be it the right to vote, becoming employed or applying for welfare. The whole country should be following Missouri's lead in this.

After Hulda read this she compared this to the Constitution. She read to us the first amendment and the parts of the constitution about the Presidency and that we should all follow the Constitution.

Rose Gordon read from the Reminiscence Magazine about V-Mail which was used during World War II to get messages to the soldiers. Officials sought to reduce the bulk and weight of letters and found a model in the British Airgraph Service started in 1941 that microfilmed messages for dispatch. Some of the ladies in the Auxiliary remember these V-mails that stood for Victory Mails.

Some of the other discussion that we had was in regard to the illegal immigrants and all that is being done for these people who are not supposed to be here and how we seem to neglect our Veterans and servicemen who have to wait and wait for medical pay and for their paychecks, homes and their other needs. Something seems to be wrong with this picture.

For the program, we listened to a tape, "Wake Up America," by the Link Family, from the Ozark Mountains of Missouri. The Links delivers a powerful performance with world class harmonies and hard driving instrumentals. The warmth and high energy of this multi-award winning family is inspiring, with moms, dads, children, and in-laws all singing, playing and entertaining together.

Since 2002, the Links has entertained 10,000's of fans at 100's of venues across the United States of America and Canada each year. This multi-award winning band is ready to come to your venue and give your folks a performance that will long be remembered. This tape reflects where we have been as a country and the true reason for God's blessing on us. They sing and share that, "Every good gift is from above." James 1:17. The colonists had come to set up place where they would be governed by

law and not by tyranny. It is our constitution and bill of rights that give us our freedom from tyranny. It is our responsibility to know and understand what our rights are and defend them with our lives if necessary. After all, those who fought and died to free people from tyranny did so to create and preserve our freedom today. It's the Constitution of the United States and the Bill of Rights that make America the proud country we call our homeland. Two documents that were written to put government in the hands of the people, not the politicians. Both give the power ultimately to the people and define limits on the three branches of government. It's our responsibility to keep government in line. The Constitution and the Bill of Rights give us that power. This was really a powerful tape for us to listen to as we think of the turmoil in our country and our world today.

After we adjourned from the business meeting, we enjoyed refreshments prepared by Val Coleman and Wanda Dowdy. The table was decorated with Halloween characters and there was even a weird ghost sound.

If any lady is eligible to join the American Legion Auxiliary we would really like to have you come and partake of the work that we do to support our veterans and the men and women in service for our country.

McDonald News

By Sandy Binning

Gilbert and Janice Antholz attended church services Sunday at St. John Lutheran Church. The church was celebrating its 100th anniversary.

Karlyne Atchison called on Amelia Banister at the Good Samaritan Home in Atwood Sunday afternoon.
