

ETHAN YOUNG throws the shot put at Wichita State University in the Class 1A State track meet last weekend. *Times photo by Dick Boyd*

Two Cheylin throwers go to state

Two Cheylin tracksters traveled to Wichita on May 25 and 26 to compete in the Class 1A State track meet. Ethan Young placed fourth in discus with a distance

of 142' 10". He also came in eighth place in the shot put with a distance of 45' 5".

Forrest Burr also traveled to state for throwing events, taking

fifth in the shot put with a distance of 36' 4", and coming in seventh place in discus with a throw of 106' 1".

Cougar Activities

By Bru and the Crew

Cheylin track members Forrest Burr and Ethan Young traveled to Wichita to take part at state track this past week. They were part of Cheylin's graduating class this year and both were looking to leave a final mark on high school athletics.

Young didn't get quite the result he was looking for as he came in eighth in the shot put, but he was able to salvage the day with fourth in discus. He had a great year overall and his athletic accomplishments at Cheylin will not soon be forgotten.

Burr finished out her high school athletic career with an

fifth place shot put finish and a seventh place finish in the discus. Congratulations to Forrest on her spectacular track season. Her contributions to Cheylin athletics will leave a lasting legacy.

Even though this wasn't the most successful year for Cheylin's track team, the Cougars are enthusiastic about next year's team. They were young this year. They will return every starter with the exception of the graduating class, foreign exchange student Marlene Dehn, and Susan Jones, who packed up and took her talents to Colorado.

The Cougar golf team attracted attention as well making it to the state meet at Mankato for the first

time in several years. The return to state golf brought excitement for the young Cougar golf team. They finished in a tie for fourth overall but lost out on the tie breaker finishing fifth overall. The Cougar men had no top 10 finishers. Even though their trip to state golf was mildly disappointing, they will return all varsity players next year with the exception of senior Wil Orten.

This will be my final regular article for the year. Next fall my articles will start up again covering all Cougar sports. Check your local paper each and every week for a special write up about Cheylin's grade school baseball teams this summer.

Swimming pool opens Memorial Day; classes open

By Norma Martinez
normamartinez@wildblue.net
School is out, and the temperatures are rising. It's that time of the year for everyone to be heading for the swimming pool to cool off. The pool was opened on Sunday with 80 swimmers registered, and 46 registered by 2 p.m. on Memorial Day, May 28.

The pool will be open Monday thru Saturday from 1:30 - 5 p.m., and Sunday 1:30 - 9 p.m. Night swimming will be held on Tuesday and Thursday evenings from 7 to 9 p.m. Private parties can be arranged for a fee by calling the pool at 734-2241 for information.

For the safety of the lifeguards and swimmers the pool will be closed in the event a lightning and thunderstorm arises, or is predicted.

Life guards

Ann Burr is the pool manager. Life guards are: Jacquelyn Ketzner, Forrest Burr, Whitney Churchwell, Heath Churchwell,

McKayla Taylor, Benjamin Neitzel, and Stephanie Busse.

Special classes

The Cheylin Recreation Commission will be sponsoring special classes at the following times:

Water Aerobics - begin May 29, then every Monday and Thursday from 5:15 - 6:00 p.m. Call Tina Sager at 734-2478 to register.

Mommy and Me classes - Friday June 1, and June 15, from

5:00 to 6:00 p.m. call Tina to register.

Free Swimming lessons - June 18 thru 29 on Monday thru Fridays, call Tina for times. Classes will be repeated in July, contact the pool at 734-2478 for dates and times.

Late night swimming - 10 to midnight to be held. Watch for announcement of upcoming dates.

Swim team schedule

Cheylin's first swim team meet will be held at St. Francis, Saturday, June first at 9 a.m. First team swimmers are: Mary Anne Orten, Diana Garcia, and Sandy Manners. Second team swimmers are: Zayra Lara, and John Serrano.

Practice times

Practice times are: Monday thru Friday mornings, for team at 8:30 -9:30 a.m., team two

is 9:30 to 10:30 a.m. For more information or to sign up for the team call Jessica Turner 785-821-2478

Schedule

June 1 - St. Francis
June 9 - Atwood
June 16 - Grant, Neb.
June 23 - Benkelman
July 7 - Atwood
July 14 - Lexington, Neb.

Across the County *By Marty Fear*

Cheyenne County Wheat Plot Tour Scheduled for June 6th

The Cheyenne County Wheat plot tour will be held Wednesday June 6, at 5:30 p.m. The test plot is located 4 miles south of Wheeler on county road J.

Jim Shroyer, K-State wheat Specialist will discuss varieties; Erick DeWolf, K-State Wheat Pathologist will spend time talking about diseases and stripe rust while Dave Mengel, K-State Soil Fertility Specialist will discuss topdressing and Anhydrous Applications.

Sunny Crest Farms are the cooperators for this year's test plot. Supper will follow the plot tour at Goodland Greenline in Wheeler. The meal is sponsored by the Cheyenne County Grain Dealers and Kansas Wheat Alliance. If you have any questions please call the Extension Office.

Forage following wheat

Once your wheat is gone, how do you plan to use that ground after harvest? With lots of growing season left this year there are many forage possibilities.

Wheat harvest will be several weeks early this year. That gives us lots of extra growing season for producing more forage.

For example, with good moisture an early maturing corn is one possibility for silage if you

plant it thick. A better dry land choice might be forage sorghum if chinch bugs and other insects are not a problem. Use high grain producing hybrids when available. The best choice of all for short-season silage might be sunflowers. They survive light frost and yield well under many conditions.

If you prefer hay instead of silage, plant teff, sorghum-sudan hybrids, or pearl or foxtail millet when chinch bugs aren't a problem. A hay crop exceeding two tons per acre still can be grown if planted soon after harvest and rain is timely.

Another hay or silage alternative is solid-seeded soybeans. A couple tons of good forage can be grown from taller, full season varieties planted after wheat.

Oats planted in early August is another option. Yields over two tons are possible if moisture is good, fertility high, and your hard freeze comes a little late. The cheapest option might be to drill bin-run corn real thick if you have good germination and a drill that can handle the kernels.

Definitely consider turnips, as well as oats, for fall pasture planted into wheat stubble in late July or early August. With a few timely rains in August and September, both oats and turnips produce much high quality feed

in a short time. And, they are cheap to plant.

Don't automatically let your wheat ground sit idle the rest of the year, especially if you could use more forage. When moisture is available, there are many forage options. One might be right for you.

Contact the Cheyenne County Extension office at 332-3171 or cfear@ksu.edu with questions or comments. Till next week - Marty

Helpful Hints

Bed Sheets

After drying my sheets, put both sheets and one pillowcase in the other pillow case. Fold neatly in a square. Next time you change sheets, you just take the one pillow case and all the sheets and pillow case are inside. No need to look for matches.

Clean your glass shower

To clean the glass in your shower easily, apply lemon juice to the glass with a sponge. Then, take newspaper and wipe the lemon juice off the glass. It will be clean and sparkle with no scrubbing!

Snake Avoidance Clinic

For ALL dogs
Saturday, June 16.

At Ringneck Country.
