We will never be able to do what you have done for us, but at least we can say thank you and let you know that the St. Francis Community means a lot to us. Your many prayers, visits, hugs, notes, phone calls, meals and cards made a difference in our life during six months in the hospitals. It is said that family and friendship is the most valuable things in the world next to God's Grace. So, accept our grateful appreciation for being that valuable to us, our family and friends.
