

Cougar Athletics

By Bru and the Crew

The Cougar football team had their first showing of the season last Friday. The boys looked good and if everyone stays healthy Cheylin will have a team to be excited about for the third year in a row. The team slept well after the hard hitting scrimmage and went to bed knowing they'd have a whole week to prepare for their season opener on Friday, Aug. 31 against Hitchcock County.

The Cheylin volleyball team had a good showing at their scrimmage as well. However, the girls had considerably less time to prepare for their season opener. They had to wake up the next morning to make the long haul to Healy! Here's a brief overview of their performance.

In their first game of the day the Ladies destroyed Healy, and that's

putting it nicely. The girls won the first set 25 to 5 and the second 25 to 6. Allie Frisbee led all Cougars in kills with 5. Stephanie Busse put on a serving clinic scoring 25 points and landing 11 aces (aces are serves that are not returned back over the net for those of you who are unfamiliar with volleyball). She also had three successful serve receives. Diana Garcia had the only solo block for the Cougars and Shayla Hubbard was top in assists with six.

The second game of the day brought less success for the Cougars as they dropped both the first and second sets to the Wallace County Wildcats 25 to 20 and 25 to 21. Allie Frisbee set the high in kills for the second match in a row with eight. She added four serving points and two solo blocks. Shayla Hubbard was the assist leader for a

second game with nine, she added two serving aces as well.

The third game was the real heartbreaker for the Ladies as they let the first set against Moscow slip through their fingers with a score of 26 to 24 and the second eluded their grasp as well as a score of 25 to 23. Stephanie Busse led in the kills category with nine. She had 10 digs as well. Shayla Hubbard was the serving ace of the game with 11 serving points and four aces. She led in the assists column as well with four.

Check next week's paper for coverage of the girls volleyball quad at Grinnell and don't forget to head out to Cougar Field Friday night to watch the Cougar football team open their season against the Hitchcock County Falcon's. Game starts at 7 p.m. Go Cougars!!!!!!
