We ended with a 5-4 winning record. All four losses were to teams with a combined 31-4 regular season record; with three of the four teams playing in a state playoff game" said Coach Max Keltz.

Fun Facts

You have read the newspaper and it is ready to be recycled. Here are a few ways to recycle that newspaper:

- Dry shoes. Place crumpled paper in them overnight.
- Wrap gifts. Use the comics to wrap a child's birthday gift, or try the wedding announcements for an engagement gift.
- Create a home for slushy snow boots. During the winter, keep a pile of newspaper near the entryway. When your little snowmen and -women come home, they can toss their winter wear onto the newspaper instead of creating puddles on the floor.
- Prepare a garden. In the fall, mow a patch of lawn to make room for a dedicated bed. Cover it with four layers of newspaper, then a four-inch layer of shredded leaves or bark mulch. Hose it down. Come spring, the compost blanket will have smothered the grass roots, and the bed will be primed for planting.
- Keep the refrigerator vegetable drawer dry and free of smells. Line the bottom with newspaper.
