Senior meeting attendance down

By Norma Martinez

Monday's attendance for the pot luck at the Senior Center was down due to the weather and sicknesses. Paul Roesener has been homebound due to illness and Bonnie Burr was still in Wray, Colo. from her recent hip surgery. She is doing well and has been transferred to St. Francis for therapy and rehab. Mila Bandel was on hand and administered five blood pressure and glucose checks. Those who attended enjoyed a good meal of ham, scalloped corn, jello salad and cherry pie or cheesecake topped with blueberries for dessert. Plans were to have a kitchen shower this month to fill the new sink installed for last month's meeting, but due to the absence of so many it was postponed until the March, 25th pot luck. That gives those who forgot about it another month to purchase or make their kitchen towels, dish cloths and pot holders to fill up the cabinet drawers. Last week Brady Smith and Jordan Dunker from Dunkers Radio and TV delivered and installed the new 60 inch TV, DVD player, and TV stand. The following day Eagle Communications installed the cable. Once the new awning is delivered, Larry Schultz has been working on the front getting

it ready for the installation. The sink, TV, television stand, DVD player, and awnings were all purchased with funds received through a Century II grant. Eagle Communications have graciously agreed to provide FREE Cable internet service. These new items have added a new look to the center. Plans are to have more movie nights and Dee Dorsch suggested that the library has a nice collection of DVD movies and documentary's for anyone who wishes to relax with a movie at the Senior Center. At last month's meeting it was decided the time had come to replace the old hot water tank. Funds were used from the centers account to pay for it. Larry Shults and Rod Klepper purchased and installed the new hot water tank. Mr. Shults and Norman Dorsch made some final adjustments to it before the pot luck. There should be plenty of hot water for washing the dishes now. With the absence of the president, Bonnie Burr, the February business meeting was conducted by Rod Klepper. A suggestion was made that the next project needing to be done for the Senior Center was replacing the old gutters in the back of the center. A motion was made and carried to check into the cost replacement for next month's business meeting.

WELLNESS CENTER is nearing completion. Willy Martinez is caulking the window. Cheylin students are to put the trim on this week, and then the floor needs to be finished. Times staff photo by Norma Martinez

Come to a Feast of The Divine Mercy!
Sunday after Easter, April 7, 2013

Many non-practicing Catholics will soon be returning to their faith. The reason: a feast of **The Divine Mercy**, celebrated on the Sunday after Easter. The Catholic Church has been celebrating this feast ever since the Vatican made it official on April 30th in the Jubilee year 2000. Why would every Catholic want to come back? It is the promise that Jesus Himself made for a complete forgiveness of all sins and punishment on that day. Jesus told St. Faustina to write in her diary, "The soul that will go to Confession and receive Holy Communion shall obtain complete forgiveness of sins and punishment. On that day the very depths of My tender mercy are open. I pour out a whole ocean of graces upon those souls who approach the fount of My mercy. Let no soul fear to draw near to Me, even though its sin be as scarlet. (Diary 699). (With ecclesiastical permission)
