Thresher show receives grant from Midwest Energy. Bob Muirhead visits with Cathy Domsch, Ken Beougher and Norman Dorsch, about the grant.

Thresher Association receives \$1000 donation

The Tri-State Antique Engine and Threshers Association was a recent recipient of a \$1,000 donation from the Midwest Energy Community Fund and CoBank, to be used to start its own endowment fund.

The association created an endowment fund with the Bird City Century II Development Foundation, an affiliate of the Greater Northwest Kansas Community Foundation.

"This organizational endowment fund created by the Threshers Association will provide a steady stream of income to them for operations and maintenance of buildings and equipment," said Cathy Domsch, executive director of the Century II Foundation. "Individuals, families, and businesses can help build this endowment fund by making charitable contributions specifically to this fund."

In January, Midwest Energy's Community Fund made a \$5,000 investment that was matched by a \$5,000 "Sharing Success" grant

from CoBank. This \$10,000 pool of funds, administered by the Heartland Community Foundation, has given ten \$1,000 donations to charitable organizations to establish their own endowment funds to support future projects.

To apply and be eligible for one of these grants, an organization must be local and serve a specific project or need in Midwest Ener-

gy's service area.

Midwest Energy's director of community and organizational development, Bob Muirhead, recognized CoBank for making the fund available. "CoBank is one of two lenders used by Midwest Energy, and their generosity helps us support the good work non-profits do in our communities."

Athlete competes in national finals

Forrest Burr, a 2012 Cheylin High School graduate, will be participating in the National Christian College Athletic Association national finals track meet, to be held in Joplin, Illinois, on Friday and Saturday, May 3 and 4. Forrest, a shot putter, qualified by taking second place at the regional meet, held last weekend. She had a personal best put of 39 feet 6 inches.

Forrest, a freshman at York Col-

lege, York Nebraska, has been a member of the track team during the winter and spring season. The York College men's and women's track teams both won their respective conference championships this season.

Forrest is the daughter of Ann and Ted Burr, and the granddaughter of Bonnie Burr and Gordon and Debbie Miller.

Annual car show set for St. Francis

On Saturday, May 11, the streets around Sawhill Park, downtown St. Francis, and some of the adjoining streets will be lined with classic vehicles. This is the 13th year for the Saturday In The Park Car and Bike Show.

This year's show is being held in memory of Billy Samler. Billy was a car club member and he loved the show, old, neat vehicles and the excitement the show brought.

We are planning on 120 to 500 entries this year, said Scott Schultz, club member. The club has heard from vintage vehicle owners from Kansas, Colorado and Nebraska.

Also arriving for the show are over 100 bikes from the Aurora Honda and Aurora Harley motorcycle clubs. Each year, the members plan a trip to St. Francis and they are planning on good weather so everyone can make the ride.

There are many activities going on during the day. Two new events are the Drive 4 UR School program and the huge Community Garage Sale.

Yost Ford is sponsoring the Drive 4 UR School program where people can drive a new Ford vehicle at the St. Francis high school and, for each test drive, the school will receive \$20. The school can earn up to \$6,000.

The Community Garage Sale will be held across the street from the car show on the grade school playground. For the last three weeks, people have been donating items for the sale. All proceeds will be used to fund St. Francis' 125 Birthday Celebration.

The Cheyenne Center for Creativity (CC4C) will be holding an art show on vehicles.

There will be drawings for a portable battery booster and air compressor, peddle tow truck, quilt made by Greg and Zona Potter and a motorcycle tool kit.

Tickets for the drawings will be sold the day of the show.

This year there will be a "blow-up car." This is a contest where 50 percent of the donations will go to the time winner and the other 50 percent will go to the St. Francis High School.

Three bikes will be given away. Kids must be present for the drawing which starts at 4 p.m.

There will be numerous vendors selling food and items ranging from T-shirts to candles. The Senior Center will be serving breakfast from 7 a.m. to 1 p.m.

The show is held rain or shine. Through the years, there have been 10 years of good weather. One year, it was cold and drizzled rain all day and the other year, it just plain rained all day. However, 67 vehicles still came to the show.

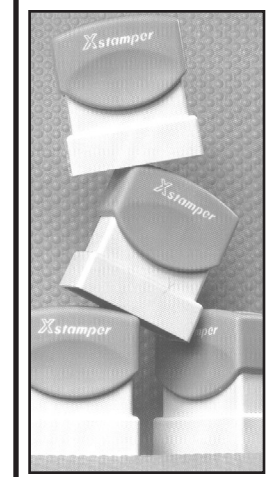

Each year, the show has grown and people from far and near travel to see the vehicles and motorcycles. They are encouraged to stop by the entry booth and pick up the "People's Choice" ballot. At the end of the day, the vehicle having the most votes will be declared the People's Choice winner.

The show has become a community event which brings people to town.

"We always receive positive comments from the people who come to St. Francis," Nancy Schultz, coordinator, said. "They talk about how clean the town is and how beautiful the park is. They also enjoy the friendly people who live here."

Everyone is urged to mark their calendar for May 11 and plan to spend the day at the park.

For more information, contact Mr. Schultz at 332-3960, or Kent Kechter, 332-2629, or Pete Jensen, 332-2317, or Robert Klie, 332-2417. People can also check out the web site at www.cheyennecountycruisers.com
