

Thresher show crowds entertained

2013 THRESHER SHOW — Top: counterclockwise: Cory Andrews is pitching wheat shocks to the Thresher Queen for loading in the thresher; the only known steam calliope that works; Hooking up the Avery steam engine for the tractor pull, very few steamers entered this event; Risking Their Lives in the wind while putting the windmill together are Steve Busse and Curt Holste; McGilvray Stables give free stage coach rides and demonstrate how to harness a team.
