Deer season begins Sept. 16 for archers and muzzleloaders

For some, the beginning of fall is heralded by leaves changing colors, for others it's cooler temperatures and shorter days, but for hunters fall is marked by the start of deer season. In less than a week, hunters will take to tree stands and blinds throughout the state, bow in hand and powder horn packed.

The muzzleloader season will begin Sept. 16 and run through Sept. 29. New this year, hunters are allowed to use muzzleloading rifles, muskets and pistols, .40 caliber or larger.

The archery season will begin Sept. 16 and run through Dec. 31. New this year, crossbows are

legal archery equipment for all archers. However, anyone who hunts big game or turkeys with a crossbow must obtain a free Crossbow Survey ID Number available online at www.ksoutdoors.com.

Hunter orange, a hat and vest, must be worn by all hunters during the muzzleloader season, and shooting hours are one-half hour before sunrise to one-half hour after sunset.

The next deer season will be the new two-day Pre-rut Whitetail Antlerless Only season from Oct. 12 - Oct. 13, followed by the Regular Firearm season Dec. 4 - Dec. 15.
