Thank You

Atwood. Call Robert Klie at 970- heartfelt gratitude for the outpouring of love, prayers and support since Kary's surgery. Life can change so quickly and we are grateful for the staff of Cheyenne County Hospital and Clinic and Cheyenne County EMS that are there when you need them with skill, compassion and care. We know we couldn't have gotten better care anywhere. Thank you to our employees for keeping the wheels turning on short notice when we ended up spending our last weeks as owners of Cuppa Joe Espresso in Kearney instead of at the helm. We love all of you. Our employees and customers are the best, bar none. Thank you for a great three years! It was fun and we wanted to go out with a bang, but this wasn't what we had in mind! Thank you to Pastor David and Jackie Butler and our St. Francis Community Church family for your love and prayers, visits and food, and doing the heavy lifting when we couldn't. To our community: We have always known that there is no place we'd rather call home than St. Francis, but it is only when life turns upside down that you realize what it means to have the love and prayers of the people you share life with. We cannot even begin to list the number of people who have been there for us in tangible and intangible ways, but please know that we know hold every word, deed, call, text, card, and prayer so dear. Kary would not be where he is today, if not for the grace of God and your love and prayers. Thank you and God bless you. Sincerely,

> We would like to take this opportunity to thank everyone that has made it possible for us to have our auto parts business in St. Francis. Our customers have been the very best! Thanks to all! We are very confident your NAPA auto parts experience will be well served with Justin and Jennifer Bentzinger.

Thank you to the sixth grade class for the beautiful patio planter and corsage. I will miss you kids next year. Mrs. Confer.
