Almena Street Ordinance

Published in The Norton Telegram, Friday, March 5, 2004. (1T)

ORDINANCE NO. 402

AN ORDINANCE DIRECTING THE REMOVAL OF VEHICLES FROM CERTAIN STREETS IN ALMENA, KANSAS, DURING EMERGENCIES, AND PROVIDING PENALTIES FOR THE VIOLATION THEREOF.

WHEREAS, it is in the best interests of the citizens of the City of Almena, Kansas, to provide access to all areas of the City by emergency vehicles during disasters and heavy snow conditions.

THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF ALMENA, KANSAS:

Section 1. DEFINITIONS. The words and phrases used in this ordinance shall have the following meanings:

A. Emergency Routes. Routes herein specified in this ordinance to provide access to major portions of the City, the business district and emergency facilities, such as the fire department and ambulance barn.

B. Vehicle. Every device in, upon or by which any person or property is or may be transported or drawn upon a highway or street.

C. Emergency Condition. Any natural or civil disaster or heavy snowfall necessitating the removal or mitigation of any impediments or hazards to vehicular traffic upon streets of the City.

Section 2. IMPLEMENTATION OF EMERGENCY ROUTE ORDINANCE. The Mayor shall publicly announce, through all news media available at the time, when an emergency condition exists, that the "Emergency Route Ordinance" is in effect, on streets marked by "Emergency Route" signs.

Section 3. VEHICLES ON STREET. Any person who parks a car or other vehicle or trailer on any emergency route is bound by the Emergency Parking Prohibition, which may be ordered by the Mayor and is expected to learn when such emergency parking restrictions are in effect. The City shall make reasonable effort to inform the public of the emergency measures; however, it is the responsibility of anyone leaving a car on the streets to keep aware of whether the Emergency Route Ordinance is in effect.

Section 4. VEHICLES IN VIOLATION. Any vehicle owner or operator who permits the vehicle, or

trailer, to remain in a restricted parking area, or who in any manner interferes with snow removal from the streets shall be in violation of this article, the penalty upon conviction thereof to be not less than \$25.00, nor more than \$100.00. The penalty provided for violation of parking prohibition by a vehicle rests with the registered owner thereof. The fact that the vehicle was not last parked or driven by the owner thereof, or that the driver or owner was not aware of the emergency traffic provisions in effect, shall not be a defense to a charge of violating this ordinance.

Section 5. DUMPING SNOW IN STREET. Following a snow clearance, it shall be a violation of this ordinance for any person, corporation or firm to pile or dump snow on any cleared street from a private driveway or sidewalk so as to constitute an impediment or hazard to normal traffic on the street. The penalty for violation of this section shall be the same as provided for in Section 4.

Section 6. DUTY TO REMOVE SNOW. Following the snow clearance, it shall be the responsibility of property owners or occupants to remove any blockages of snow from driveways, sidewalks and vehicles in conformity with Section 5.

Section 7. EMERGENCY ROUTES DESIGNATED. Upon announcement by the Mayor that the "Emergency Route Ordinance" is in effect, the streets listed in this section shall be designated and signed "Emergency Route" and there shall be no parking thereon, and violating vehicles and trailers shall have violation notices placed thereon. "Emergency Route" signs shall be posted on the right-hand side of the driving lane at intervals not to exceed two (2) blocks. The emergency routes are as follows:

All portions of Pratt and Bryant Streets, all portions of Mills Street, all portions of Railroad Street, all portions of Van Horn Street, and Main Street extending North from Kansas Highway 383.

Section 8. EFFECTIVE DATE. This ordinance shall take effect and be in full force upon its adoption and publication in the official City newspaper.

PASSED AND APPROVED by the governing body of the City of Almena, Kansas, this 1st day of March, 2004.

Blue Jay to kick for Emporia

By DICK BOYD

Norton Community High School senior Charlie Foley, a 5'9", 162 pound kicker, has signed a letter of intent to play next season for Emporia State University.

Foley is the all-time leading kicker in NCHS history. He made 53 consecutive extra point kicks this season before missing which ranks him second all-time in all classes in Kansas. In three years of kicking for the Blue Jays, he kicked 142 extra points, which ranks him third all-time in all classes in Kansas.

"The rest of the people around fumbled the ball on Charlie," said

Norton coach Bruce Graber. "He did not have as many offers as he would have liked but Emporia State is a good fit for him. It will be a good deal for Charlie."

"Coach Wiemers is a veteran coach and they have an outstanding Division II football program. They were in the playoffs last season."

"Charlie has a tremendous work ethic. He kicks all year long."

One of the six field goals kicked by Foley this season was a 44 yarder, the longest in NCHS history.

Foley also kicks off for Norton. This season he kicked off 74 times for an average of 49 yards.
