# Welcome

We hope everyone enjoyed the Norton County Fair.

Lots of people worked hard to put it on. Our hats are off to the county extension office and Keith VanSlike, all the 4-H leaders, 4-H'ers and parents, FFA students, judges and everyone who entered the open-class events.

Here at *The Norton Telegram* we wanted to keep the memories alive as long as possible. Therefore, we're putting out this special section with all the ribbons and awards listed and as many pictures as we can get in.

We know we can't get every picture or every winner in this section but we've tried for a representative sam-

pling.

Thank you to our advertisers.

Carol Erlenbusch and Bill Eckhart sold the ads that made this section possible. Susie Marble and Vicki Henderson made up ads, pages and set copy. Cynthia Haynes did the layout and Carolyn Plotts, Veronica Monier and Brandon Gay took the pictures. Miscellaneous help was provided by Sonya Montgomery, and Neil Severns.

Printing was done by Jim Bowker and his crew at Nor'West Press in Goodland.

Please enjoy your copy of The Telegram's 2004 Norton County Fair Results.
