# DREADED DISEASES

## HOW CAN GOD WORK THROUGH THEM?

Cancer, heart disease and other dreaded illnesses have claimed countless lives and struck fear in the hearts of many family members. Our small rural communities in Norton County seem to have been struck by these deadly killers all too often bringing heartache, dismay and depression into many a household. The homes of Christians and non-Christians alike have been afflicted at some time with life-threatening illnesses.

The Bible gives various reasons why sickness is allowed to come upon man and beast but mostly He allows it out of love—that is, He uses our illnesses to draw all thoughts of the human mind and heart to Himself.

It is not the time to do an in-depth exposition on sickness and illness from a Biblical perspective. However, we would like for you to prayerfully consider joining us to hear the testimony of one person who has seen and experienced God's sustaining grace in his and his wife's lives as they faced the rigorous testing of their new-found faith, the need of physical healing, and how they came to understand more deeply the Lord's unfailing love in the greatest trial of their lives.

Come and Hear

**Michael E. Kelly**

At

**Community Full Gospel Church**

**313 W. Lincoln St.**

**10:30a.m.-12:00 Noon**

On

**Sunday, February 13, 2005**

Michael E. Kelly is the City Attorney for Kearney, Nebraska. He will be in Norton to share a testimony of his conversion, the healing of his wife Jo of cancer in 1985, the following eighteen years of life together in the Lord's grace, and then about Jo's passing on to be with Jesus in September of 2003.

Join us February 13<sup>th</sup> if you have cancer, heart disease, some other life-threatening illness or just desire to be touched, challenged, encouraged and given the opportunity to find a peace with the Lord that passes all understanding. You can choose to walk through the most fearful times in your life with an uncompromising trust in a God who loves you and longs to bring you close to His side. Whether you have a serious illness yourself or have a family member or close friend who faces possible death due to a dreaded illness, you will find real hope through Michael's testimony of God's grace that is promised to all who will surrender to the Lordship of Christ.

Jesus said, "Peace I leave with you; My peace I give you, I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." (John 14:27) "[Let] your soul find rest in God alone..." (Psalm 62:1)

Make plans to be with us and give the Lord an opportunity to minister to you through this life-changing testimony.
