PUBLIC NOTICE

Notice to Lenora citizens

Published in The Norton Telegram on Tuesday, March 14, 2006. (1T)

Section 3 NOTICE TO CITIZENS IN THE CITY OF LENORA OPPORTUNITY FOR WORK

The City of Lenora has received a \$400,000 Community Development Block Grant from the Kansas Department of Commerce for the construction of the Community Building & Library in downtown Lenora, which will serve the citizens of Lenora, Kansas.

This grant will provide Norton County the opportunity to search for eligible local citizens interested in participating in the project. Section 3 of the Housing and Urban Development Act of 1968, as amended through 1994, provides that to the greatest extent feasible, preference for economic opportunities will be given to citizens in Norton County who are determined to be low- to moderate- income individuals. A low- to moderate- income individual can be calculated by documenting household income of less than 80 percent of the county median income. Opportunities such as job training and employment

that arise through this Community Development Block Grant project will be directed toward County residents. Contractors can be eligible for a Section 3 contract as awarded in connection with CDBG projects if they meet one of the following definitions:

- Business is owned by 51 percent or more Section 3 residents;
- Business employs Section 3 residents in full-time positions;
- Businesses who subcontract with other businesses that provides economic opportunity to Section 3 residents.

Section 3 requirements apply to the City as a grantee, if the award to the grantee is over \$200,000, and to all contractors and subcontracts over \$100,000 if the \$200,000 threshold is met.

If you wish to determine if you qualify, have an interest in job training or have an interest in serving as a subcontractor for this project, please contact Darren Murphy, Economic Development Coordinator, NWKP&DC, 319 N. Pomeroy Avenue, Hill City, Kansas 67642 at (785) 421-2151.
