

Police looking for Oberlin girl missing since May 26

(Continued from Page 1)

Mr. Fife has family in Tennessee, said Mrs. Vontz, so the two might be heading there or possibly to Texas, but she really doesn't know much.

She said the National Crime Information Center has been notified. If the two are pulled over, they will be picked up. There is also a report on the car, so police will get a hit if they run the tag.

Mrs. Vontz said her daughter is about 135 pounds, 5 foot, 6 inches tall and has long, straight blonde hair, blue eyes and braces.

Mr. Fife weighs about 150 pounds, is 5 foot, 9 inches tall and

has short brown hair.

She asks that if anyone sees either one of them or the car that they call 911 or Decatur County dispatch at (785) 475-8100.

The car, said Mrs. Vontz, has a sunroof, a spoiler on the trunk, a yellow front license plate with a smiley face and flower decals on the back windows. The back license plate, from Kansas, has the number UQU808.

As of Monday, Mrs. Vontz said, none of her daughter's family or friends had heard from her. Mr. Fife's family in Tennessee said they have had no contact either.

Chantelle Beneda, 16, has been missing for more than a week. She was last seen in her 2004 yellow Dodge Neon heading south on U.S. 83 on Friday, May 26.

Volunteer Tamra Cochran helped sort items for the upcoming benefit auction at The Haven Tuesday at 6 p.m. The non-profit organization is still accepting donations for the sale.

Auction to be bargain hunter's delight

(Continued from Page 1) we've done so far, to come take a look," said Mrs. Plotts.

"We will be selling soft drinks and iced tea during the auction," she said. "But, if you come to the

auction hungry, there are a couple of good fast-food restaurants real close."

Northern Valley sends delegates to girls state

Three girls from the junior class at Northern Valley High School have been chosen to attend the 64th annual session of Girls State on the campus of the University of Kansas Lawrence.

K. Cole

J. Holmes

A. Lowry

of Kansas Lawrence. Sunflower Girls State is sponsored by the American Legion Auxiliary, June 4 through June 9.

Kelli Cole, daughter of Jim and Monica Cole, Long Island, is being sponsored by Long Island American Legion Unit No. 304. Miss Cole is involved in volleyball, cross country, basketball, Student Council, KAYS, Honor Society, band, vocal, Big Brothers Big Sisters, Catholic Youth Organization, 4-H and Leadership.

Jessica Holmes and Andrea Lowry are both being sponsored by the Almena American Legion Unit No. 266.

Miss Holmes, the daughter of Jo Holmes and Bill Holmes, Norton, participates in volleyball, basketball, dance team, KAYS, vocal, band, Leadership, yearbook staff, Student Council, Junior Pride and Big Brothers Big Sisters.

Miss Lowry is the daughter of Bill and Susan Lowry of Almena. She is involved with volleyball, basketball, track, cheer leading,

band, vocal, yearbook staff, National Honor Society, Junior Pride, KAYS, Student Council and forensics.

The young women will join about 465 other Kansas girls who will be seniors next year. They will "learn by doing" the political system involved in the state's government.

Beginning at the city level, ad-

vancing to county and the state, the girls will register to vote, file nomination papers, conduct political campaigns and make speeches.

Rebecca Sullivan, Paola, is the 2005 Governor of Sunflower Girls State. She will preside at the sessions, assisted by Janet Threlfall, Girard, the 2005 Lt. Governor. All girls are housed in Ellsworth Hall and the Inauguration will be held in the Lied Performing Arts Center.

The Honorable Kathleen Sebelius, Governor of Kansas; Ron Thornburgh, Secretary of State; Mrs. Norma Swanson, Department President of the American Legion Auxiliary; and other state, county and city officials will speak on the various levels of government.

Clinic gives future babysitters a little helpful advice

(Continued from Page 1) asked them to consider how they would handle it. Situations like: how to comfort a child who cries when his parents leave; what to do if some of their friends come by and want to stay; or what to do if the parents come home drunk and still want to drive them home.

The final lesson was on diapering a baby. The reluctant model

was Olivia Miller, the granddaughter of instructor, Mrs. Maddy. She explained how to entertain a child during the diapering process, how to clean them properly and how to dispose of a soiled diaper.

After the class, the students received a certificate of completion, qualifying them for babysitting duty.

Job Opening

The Norton Telegram is looking for someone to join Hypatia Day in the Advertising Sales Department. Previous sales experience helpful, but not required. Training provided. Good working conditions. Commission-based, but great potential for the right person. Super staff.

To set up an appointment, or learn more about the opportunity, please contact the newspaper's publisher, Tom Dreiling, at (785) 877-6008 (daytime) or 877-3823 (evenings).

Wheat expected to be in early

(Continued from Page 1) stressed enough that nothing can help the damage that's been done.

"The rain has probably helped the plants to keep from shrinking and shriveling quite so fast."

He said whenever there is rain around the head-filling time, it's great and the plants not having pressure from leaf rust has helped

a lot too.

"It would be worse without the rain," he said.

Marvin Slabaugh, an employee with Ag Valley Coop in Norton, said they are expecting the first load of continuous crop wheat possibly by the end of next week.

"If we get these 100 degree days, it's going to fill out pretty quick,"

he said.

As for the yields they're expecting, Mr. Slabaugh said, "It's not going to be a bumper crop this year, that's for sure. We're looking at getting light yields."

He said it was probably too late for the rain to help the wheat, but it will help the fall harvest of corn and milo.

Power show offers old-fashioned entertainment

(Continued from Page 1) threshing either wheat or oats, and will be displaying a Bessemer engine.

A flea market will be held both days with vendors selling knickknacks, food, drinks and much more.

The Antique Parade of Power will also be featured both days at 1 p.m. The parade will travel through downtown Saturday and on Sunday, it will travel around the association grounds.

There will be lots of tractors and quite a few cars in the parade, which is open to anything that's not on steel and has tires. Parade entries should also be motorized, unless someone wants to ride their bicycle or something else of that nature.

After the parade on Saturday, a kids' peddle power pull will be held for children 5 to 10 years in age. Trophies will be awarded to the winners.

A tractor pull will be held for the older kids and adults on Saturday,

while lawn mower races will be held Sunday.

Also, a youth baseball game has been scheduled for 6:30 p.m. on Saturday.

If you like cars, tractors and other good old-fashioned entertainment, the Sunflower Pioneer Power Association's Antique Machinery, Threshing and Power Show is the place to be. Admission is \$3 for adults for both days. Children 12 and under get in free when accompanied by an adult.

YOUNG'S PUBLIC AUCTION

SATURDAY, JUNE 17, 2006

9:30 AM CDT

NORTON KANSAS ARMORY
