Students of the Month

RESPECT: Learn It ~ Earn It ~ Return It

Student : Annette Becker
 Parents : John and Ann Becker
 Grade : 12
 Nominating Staff Member : Mrs. Nancy Sebelius
 Comment from nominating person: I would like to nominate Annette Becker as Student of the Month because she exemplifies all the good qualities an ideal student should possess. Obviously, with a 4.0, she is diligent and hard-working in all her classes, and is always willing to learn more, and participate in extra learning opportunities. This fall, she participated in the Fort Hays State University Fall English workshop and the MINDSON Historic Model United Nations, both of which required additional reading and researching. Secondly, Annette is the most compassionate student I've ever come across! She treats all her peers, classmates, and teachers with kindness and respect. Her compassion extends beyond the walls of Norton Community High School, as she recently cut off her lovely, long hair to donate it to Locks of Love, to benefit cancer patients. Thirdly, Annette willingly takes on leadership responsibilities in FCCLA, 4-H, and on the scholars' bowl team, which she captains. Finally, she is an outstanding representative of NCHS, whether it is in the Historic Model United Nations, scholars' bowl, or the FHSU Model United Nations. Not only is she genuinely friendly towards all the Norton students, but she extends a friendly smile and kind word to students from other schools as well. At the Historic Model United Nations, she diplomatically explained the difference between communism and fascism to a student from another school.
