Normal High: 55 **Normal Low: 26** **Sunrise: 7:48 to 7:55am** **Sunset: 7:45 to 7:49pm**

Oh boy what beautiful weather! Highs in the 70's to start the week have us dreaming of the beach, while the snow and cold quickly fades away in our minds. A cool front Thursday will bring temperatures down a notch to more seasonal value to finish the week. However, over the St. Patrick's Day weekend we go right back to 70 degrees. Chances for precipitation during the period will only amount to a few scattered showers as the front passes through on Thursday. Happy St. Patrick's Day!
