Jodi Ploussard

**LENORA
Third/Fourth
Grade**

I am very excited about teaching third and fourth grade in Lenora. I grew up in Oberlin. I graduated from Fort Hays State University. I am certified in Elementary Education, with an emphasis in English and Science.

I have three years teaching experience in the middle level grades. I have also taught Special Education. Teaching in a small community is wonderful, allowing you, as a teacher, to spend more time with each student.

It is great to see small schools take pride in keeping their schools open.
