## SUPPORT OUR LOCAL BUSINESSES... SHOP NORTON COUNTY

Buy Local Week is part of the Norton County Buy Local Campaign to support our local businesses by encouraging residents and visitors to shop locally. Although shopping locally is vital to our community year-round, we are highlighting its importance this week.

Norton County businesses are the cornerstone of our community. They provide jobs, produce local tax revenue, support community organizations, and contribute to the overall quality of life in Norton County by offering goods and services locally.

Globalization, along with advances in technology and communication, continuously challenge rural businesses. It is important now—more than ever—to thank our local businesses for their commitment to our community. The best way to thank them is by shopping locally. Explore what Norton County has to offer.
