## Library has area just for teenagers

There's some good news for teenagers who visit the Norton Public Library. They now have a Teen Area for junior high and high schoolers. This is a place to read books, do homework and play on the new Xbox and Playstation 2 the library just purchased especially for this area. "Relax and enjoy a fun game while reclining in one of our comfy bean bag chairs" said Kathy McConey, children's librarian.

## Happy 100<sup>th</sup> Birthday Norton Public Library

## Library ready for big day

The Norton Public Library 100th Year Birthday Celebration will be on Thursday. A day full of special events has been planned.

On June 11, the Norton Postmaster will set up a sub station in the Norton Public Library between the hours of 10 a.m. to 2 p.m. and a specially designed pictorial cancel celebrating the 100th anniversary of the Norton Public Library will be applied to letters and postcards for anyone who wants one. It can be regular outgoing mail or souvenir mail that can be canceled with the special cancel and handed back to the customer.

The cancel will be available for 30 days after the event, but by mail request only. If someone wants one then they have to mail a SASE to: Postmaster, Norton Public Library Station, Norton KS 67654. These are done by mail only and no handbacks can be done at the post office.

Everyone knows that the post office cancels stamps with a cancellation device. Usually it's a circle with the town name, date of cancel, and Zip Code. A pictorial cancel also has that information but also contains a picture or other graphic to celebrate a special event.

Most people have never heard of these pictorial cancels but they are quite common and the post offices has been offering this service for several years. It's a great way to let your friends and relatives share in an event by sending them a card or letter with the special cancel on the letter.

At 2 p.m., kids of all ages will be able to enjoy THE FLYING DEBRIS SHOW. Richard Holmgren, from Salina is a comedian, juggler, and a high energy performer.

At this time also, clowns from the Isis Shriners in Salina will have balloons for the children. We ask that everyone bring a lawn chair! In case of inclement weather this event will be at the Rec Center gym. Refreshments will be served.

From 4-6 p.m. come enjoy THE MARC BAKER SHOW. Marc is from Wichita

Training and education programs for the inmates at the Norton Correctional Facility are being cut dramatically due to the economic crisis; however, the staff is working on finding creative ways to keep the prisoners busy.

Kathy Wilmont said it is important to keep the inmates in a training program so they can learn new skills which will help them find jobs when they are released.

"We get some inmates that don't even know how to mop floors," she said.

The laundry crew started a quilting program in March.

Mr. Joel Hrabec said it is a new project; it began because the staff was looking for a way to keep more inmates busy since training programs are being cut.

The original plan was to put more inmates to work by mending clothing, he said.

"Our goal is to make as many as possible and donate them to places in the community that need them, like the

Every year the Sunflower Pioneer Power Association, Inc. restores a tractor that is given away during the weekend of their show. Putting the final touches on this year's 1947 WC Allis Chalmers tractor and discussing the weekend's activities are Bob Underwood, left of Norton and Dennis DeWitt, Prairie View. This will be the twelfth tractor the association has restored and given away.
