

Hansen Scholarships now available to seniors

The Dane G. Hansen Foundation will make 275 scholarships available in five categories to students in 26 Northwest Kansas counties for the 2011-2012 academic year. Hansen Vocational Education Scholarship has been changed to the Hansen Career and Technical Education Scholarship. There are 100 career and technical education scholarships available. This scholarship can be used at any Kansas school, but it can only be used for a program that does not lead to a four-year degree.

Students from an accredited high school, registered independent, private or home school in one of the following 26 counties are eligible to apply:

Cheyenne, Cloud, Decatur, Ellis, Ellsworth, Gove, Graham, Jewell, Lincoln, Logan, Mitchell, Norton, Osborne, Ottawa, Phillips, Rawlins, Republic, Rooks, Russell, Saline, Sheridan, Sherman, Smith, Thomas, Trego and Wallace.

Scholarships available for students who will graduate in the current academic year are:

Ten Leaders of Tomorrow Scholarships with annual stipends of \$5,000 renewable for additional years if criteria established by the Scholarship Committee are met. Recipients must attend an accredited four-year public, private or church related Kansas college or university.

Fifty Hansen Scholar Scholarships with stipends of \$3,000 renewable for one additional year, providing the recipients have achieved at least a 3.0 grade point average at the college level. Recipients must attend an accredited four-year public, private or church related Kansas college or university.

One hundred Hansen Student Scholarships with stipends of \$2,000 renewable for one year, providing the recipients have achieved at least a 3.00 GPA at the college level. Recipients must attend an accredited community, public, private or church related college or university in Kansas.

To qualify for the above scholarships, a student must have taken the ACT test and have a composite score of 21 or higher and have at least a 3.50 GPA. The student should be an active participant in extracurricular and community activities, display good citizenship, leadership and moral integrity.

Students planning to enter the competition for Leaders of Tomorrow, Hansen Scholar or Hansen Student scholarships must register at their school and take the qualifying test at locations to be announced.

Information on all scholarships has been sent to qualifying area schools. Tentative test dates have been for September 14 and 15.

One hundred **Hansen Career and Technical Education Scholarships** (\$2,000 non-renewable) are available to encourage high school seniors who seek competence through career training. An applicant for the Career Technical Education Scholarship must complete an application form that is available from the high school counselor. The Scholarship Committee is interested in the student's character, activities and goals. Applicants for the Hansen Career and Education Scholarship are not required to take a qualifying test. A 3.5 GPA is not necessary to apply for this scholarship. Recipients may enroll in any career and technical education program, in any Kansas school, as long as it is not leading to a four-year degree.

In addition to the scholarships offered to high school seniors, the Hansen Foundation will also award 15 **Community College Scholarships** with stipends of \$2,000 each. These scholarships are available for Kansas Community College students who will have completed a minimum of 32 hours of college credit by the Spring of 2011 and who are transferring to an accredited four-year public, private or church related Kansas college or university. Each Community College Scholarship may be renewed for one year upon completion of satisfactory work as evaluated by the Scholarship Committee. Students may obtain application forms at the office of the Dean of Student Services at the Community College or it can be downloaded from our website at www.hansenfoundationscholarships.com

Through scholarships the Trustees of the Dane G. Hansen Foundation encourage good citizenship and high achievement in academic endeavors. Improvement of educational opportunities for students in Western Kansas ranks high among the objectives of the Trustees of the Hansen Foundation.
