HANSEN MUSEUM

The Dane G. Hansen Museum, in Logan, is proud to present "Going Places," an exhibition made possible through National Endowment Humanities on the Road, a special initiative of the National Endowment for the Humanities. It is brought to you by Mid-America Arts Alliance and was organized by the Long Island Museum of American Art, History and Carriages in Stony Brook, New York. This exhibit opened Sept. 2, and will run through Oct. 23. The exhibit holds forty one diverse artifacts (including a full-sized pony surrey, harness and tack and assorted carriage accessories) that speak volumes about our insatiable desire for travel, speed, and new technology.

Carriages came in an amazing assortment of sizes, shapes, and finishes, from the buckboard phaeton to the sidebar buggy to the booby hut. "Going Places" explores the culture, evolution, and eventual demise of horse-drawn transportation from the early nineteenth century,

through the Industrial Revolution, and into the 1900's with the dawn of the automobile age. "Going Places" also covers a broad range of questions: How were carriages sold and who could afford them? How did they function within America's larger transportation network? What factors led to their eventual demise? The answers are surprising, and frequent parallels to today's car culture make this a fascinating journey.

This Saturday, Oct. 1, the preview for "Going Places" was held. The speakers were William S. Worley from the Kansas Humanities Council, Warren Sidman from the Logan Historical Society and Sonny Ruff from the Logan Fire Department. Some interesting facts about the progression of trans-

poration were learned and many questions asked!!

Nettie Palmer will continue to instruct the Dance Aerobics Class held at the Logan City Building. The classes are held Tuesday, Thursday and Sunday each week and are only 30 minutes long. The Beginner Class will start at 6 p.m. and the Intermediate to Advanced Class will start at 6:30 p.m. This is an excellent opportunity to get in some exercise and have fun, too. No sign up is necessary, just show up.

Our October Artist of the Month is Gloria Harris from Stockton. Gloria has Christmas tree skirts, stockings, baby blankets, car seat and carrier covers, Barbie Doll clothes and wall hangings on display and for sale.
