

## Getting some air

Unified School District 211 and Norton Sheet Metal had a nine-ton crane brought in to replace some hail damaged air conditioning units at the Eisenhower Elementary school on Saturday. The three new units were 17-SEER units, which replaced some that were 16 and 19 years old. These new units were chosen due to being the most energy efficient ones available.

## LYLE NEWS

John and Carol Moye and Veda Wood spent several wonderful days in Stroud, Okla. They visited David and Tina Wood, and on Sunday went to Canadian, Okla., to spend several hours with Elvin and Dixie Wood. Elvin was bedfast but able to visit. While there, David finished a job he had worked on before and Dixie gave us a delicious lunch (although we had told her not to). We were so glad we went, as Elvin passed away early Sunday morning, a week later. Dixie's address is HC67 Box 26, Canadian, OK. 74425. I know she would like to hear from friends. Israel and Hannah Jirak and boys came by for a BBQ Saturday on their way to a football game.

David Wood had surgery on his left thumb to repair a tendon he had cut in an accident. He said the worst part was having to be in Oklahoma City by

5:30 a.m. He dreaded having to have it immobilized while it heals, although I know he won't be down long. They had a long awaited rain, as we did at home.

Congratulations are due to Deb Combs, new owner of the quilt that was raffled off from Lyle. Proceeds of the raffle went to the Lyle Church fund. Thanks to all who donated.

On Wednesday, four members of Liberty Star Club, Joyce Price, Kathy Van Meter, Toots Magers and driver Carolyn Plotts toured the Formation Plastics Inc. plant in Quinter, where Judy Easton works. The plant furnishes parts for everything from aircraft to little red wagons to agriculture, and ship products all over the world. They and Judy and Charlie ate at the Q-Inn, where Tim Nejdil dropped in; and they visited the thrift shop and drug store. They thoroughly enjoyed

their trip. Toots Magers played pinochle at the Ed. building on Thursday. Charlie and Judy Easton came and did some work for her on Sunday.

Kathy Van Meter and Lloyd Frandsen attended the wedding in Appleton, Wis. of Jesse Westerbeck and Marissa Schletzer on Oct.8. He is the grandson of the late Dale Van Meter. Other guests were Dale's children.

We had a great time at the Lyle Community building Saturday evening. So much good food, good entertainment, and good friends all added up. The Prairie Rose Harmony group always makes a big hit, and they enjoy the country type fun. Thanks so much for coming!

June Jolly has enough news for a page all her own. She and three others went on a tour to Minot, N.D., where they watched shows by Charlie Pride,

By Dana Paxton

dpaxton@nwkansas.com

The Northern Valley High School football team went up against Victoria last week and left the Huskies scoreless. After two quarters the final score was 50-0 for a Victoria win.

Victoria was the only team to score in the first quarter. They put 28 points on the board with four touchdowns and two successful extra point attempts.

Once again the Huskies were held scoreless in the second and final quarter of play. Victoria scored three more touchdowns with two out of three extra point attempts being successful. The final score left Victoria victorious with a 50-0 win over the Huskies.

Husky head coach Chuck Fessenden said, "Victoria pretty much over powered us. They were a lot stronger and more physical than our players. They were ale to wall everything off on defense so we had no where to run. We were able to hold them early in the game but they came up with a big reverse play on the fourth down. After that the floodgates were pretty well open. We will have to make some adjustments before we play Thunder Ridge."

Northern Valley had 20 carries

of the ball for 60 yards rushing and Victoria had 28 carries for 391 yards rushing. Hunter Chandler carried the ball ten times for 43 yards, followed by Tyson Callaway who had four carries for 12 yards and Jordan Baird had six carries for five yards.

The Huskies passed the ball six times and completed two for four yards. Victoria passed the ball four times and completed two for 17 yards. Chandler passed the ball five times and completed two for four yards. Callaway passed the ball once for no yardage. Callaway also had one interception. The two passes that were completed were caught by Jordan Baird and gained four yards.

Callaway punted the ball four times for 88 yards. Victoria made no punts.

Victoria was the only team to fumble the ball and did it twice but recovered it both times.

Hunter Chandler led the team in tackles with six and six assists followed by Dillon Hogan with four, Nate Land with three tackles and one assist, Tyler Montgomery with two and one assist and Calen Bach with one tackle and two assists. Callaway, Baird and Ian Vincent all had one tackle and one assist and

Alex Stevens had one tackle.

The Huskies played Thunder Ridge on Friday in Kensington so watch for the story a coming issue.
