

Kiddie Land Express

Dear Santa,
I am 3 years old and I go to Kiddie Land Express at Judy's and we have a lot of fun. At daycare, I helped Jay put up their Christmas tree. That was fun. I would like to get some Barbie's for Christmas and some bouncy balls, maybe some silly balls. I just got a new room and it is blue, so anything blue for my room. I would like a dollhouse that is blue. I need some

new band-aids and I love stamps. I could always use new clothes. I love Dora, Jay-hawks, and Barbies. Oh yeah and a baby crib for my dollies. Don't forget that we moved so come to my new house. I will try to be nice to my older sister until Christmas since my mom and dad are always telling me that you are watching... Are you ALWAYS watching? Jaycee

Dear Santa,
I am 4 years old I go to Northern Valley 4-year-old preschool with Mrs. Dole and we are learning our letters. I am working really hard and doing my best...she is the best teacher. I also go to Kiddie Land Express with Judy. We always have fun at her house and I have friends there that I play with. Jay and Judy even let us help put up the Christmas tree.

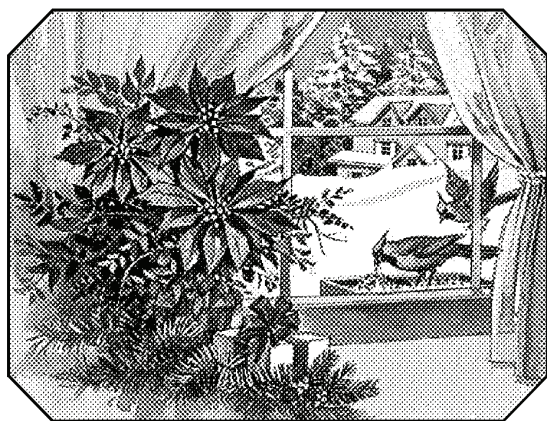

It is white with sparkles on it. I am really excited for Christmas and when I see you I think I will sit on your lap this year and talk to you. I need some new earrings and something to hold them. I want a Tangled Barbie, the DVD "Tangled", and Tangled dress up clothes. I would also like a Unicorn Happy Napper and a real microphone so I can hear my voice when I sing. I would also like a real unicorn. Can you find a pink a purple one please? I have a new house out in the country where I can keep her. I think my dad will build a fence to keep it. I would like a dollhouse and Hello Kitty stuff for

my new room. What kind of cookies do you want us to leave you? Would you rather have milk or juice with your cookies? Have a safe trip. Oh yeah, I would like green hair with grey sparkles. Don't forget we will be moving before Christmas, so don't go to our old house. We won't be there!

Love, Landry
