## HANSEN MUSEUM

The Dane G. Hansen Foundation announces a significant increase in the scholarship stipends for the 2012-2013 academic year. Four of the five scholarship categories will increase by \$1,000 and the Leader of Tomorrow will increase by \$1,500.

The Dane G. Hansen Foundation will make 280 scholarships available in five categories to students in 26 Northwest Kansas counties for the 2012-2013 academic year. Students from an accredited high school, registered independent, private or home school in one of the following 26 counties are eligible to apply:

Cheyenne, Cloud, Decatur, Ellis, Ellsworth, Gove, Graham, Jewell, Lincoln, Logan, Mitchell, Norton, Osborne, Ottawa, Phillips, Rawlins, Republic, Rooks, Russell, Saline, Sheridan, Sherman, Smith, Thomas, Trego and Wallace.

Ten Leaders of Tomorrow Scholarships with annual stipends will increase from \$5,000 to \$6,500 and are renewable for three additional years if criteria established by the Scholarship Committee are met. Recipients must attend an accredited four-year public, private or church related Kansas college or university.

Fifty Hansen Scholar Scholarships with increased stipends from \$3,000 to \$4,000 are renewable for one additional year, providing the recipients have achieved at least a 3.0 GPA at the college level. Recipients must attend an accredited four-year public, private or church related Kansas college or university.

One hundred Hansen Student Scholarships with increased stipends from \$2,000 to \$3,000 are renewable for one additional year, providing the recipients have achieved at least a 3.0 GPA at the college level. Recipients must attend an accredited community, public, private or church related college or university in Kansas.

To qualify for the above scholarships, a student must have taken the ACT test and have a

composite score of 21 or higher and have at least a 3.5 GPA. The student should be an active participant in extracurricular school and community activities, display good citizenship, leadership, and moral integrity.

Students planning to enter the competition for Leaders of Tomorrow, Hansen Scholar or Hansen Student scholarships must register at their school and take the qualifying test at locations to be announced. Information on all scholarships has been sent to qualifying area schools. Tentative test dates have been set for Sept. 12-13.

One hundred Hansen Career and Technical Education Scholarships (\$2,000 non-renewable) are available to encourage high school seniors who seek competence through career training. An applicant for the Career and Technical Education Scholarship must complete an application form that is available from the high school counselor. The Scholarship Committee is interested in the student's character, activities and goals. Applicants for the Hansen Career and Technical Education Scholarship are not required to take a qualifying test. A 3.5 GPA is not necessary to apply for this scholarship. Recipients may enroll in any career and technical education program, in any Kansas school, as long as it is not leading to a four-year degree.

In addition to the scholarships offered to high school seniors, the Hansen Foundation will also award 20 Community or Technical College Transfer Scholarships with stipends of \$3,000 each. These scholarships are available for Kansas Community or Technical College students. Community College students must have completed a minimum of 32 hours of college credit by the Spring of 2013 and Technical College students must have completed an associate of applied science degree before transferring to an accredited four-year public, private or church related Kansas college or university. Each Community or Technical College Transfer Scholarship may be renewed

for one year upon completion of satisfactory work as evaluated by the Scholarship Committee. Students may obtain application forms at the office of the Dean of Student Services at the Community College or Technical College Student Services or it can be downloaded from our website [www.hansenfoundation.org/scholarships.com](http://www.hansenfoundation.org/scholarships.com).

Kansas," said Ostmeyer. "He tried his best to get a good tax bill. He wants to make some changes and we'll get it fixed. Our governor will listen to us. He has a mission. The state of Kansas means a lot to him."

**State Representative  
Ward Cassidy**

"I'm fighting to do what's best for Western and Northwestern Kansas," said Cassidy. "It's a different world back there in Topeka. Even though I am now in a different district, I will continue to do everything I can to help you."

**Kansas Attorney General  
Derek Schmidt**

"We are pushing back on fed-

eral regulations on many fronts," said Schmidt. "In doing so, we are also defending our elected representatives."

**Kansas Treasurer  
Ron Estes**

State Treasurer Ron Estes gave a good financial report on the State of Kansas, which compares very favorably with the national financial crisis.

"On July 1, 2012, the State of Kansas had a balance of \$876.05," said Estes. "We now have a balance of \$392 million. Our state hadn't been making payments on time. School payments were late. Now, we're paying all our bills on time. KPERS was in trouble and now we're on the way to funding it properly."
