Student receives historical scholarship

Elizabeth Gienger, graduate of St. Francis Community High School, was named the 2009 recipient of the Cheyenne County Historical Society Scholarship. Eleven seniors from St. Francis and Bird City high schools competed for the \$500 scholarship.

Gienger

One of the requirements of the application for the scholarship was to write an essay on why it is important to know the history of Cheyenne County.

An excerpt from Elizabeth's essay reads, "Knowing what our an-

cestors came from and all they had to go through to get to Cheyenne County and build a home makes us thankful. We learn some of the immense sacrifice and hard work it took to settle here."

Elizabeth goes on to say, "Knowing history also gives you pride. Learning small details about our community, how it came to be, and the people that make it up gives a love of community. In our mind it changes our county from just a small community in northwest Kansas to Cheyenne County - a community of character that stands out above the rest."

Elizabeth plans to attend Kansas State University to begin her pursuit of a degree in nursing.
