Trying to express our gratitude and thanks to all of you that helped clean up our farm after the devastating tornado - It is a blessing to live in a caring community where every hug, handshake, word of encouragement help with the healing process in the aftermath of last week's storms. While our loss was great to us, we especially ask you to continue to pray for the families that lost so much more. There was one good thing - God spared the lives of all the victims. Thanks again to all of you - friends, neighbors, EMTs, firemen, etc. May God bless you and again we thank you. Keith and Hulda Dorsch
