Students show art at Hays University

There was art pieces displayed everywhere at Gross Coliseum during the Fort Hays State University Art Exhibition on Wednesday, April 18. St. Francis Community High School students had their share of art on display.

“We had 53 senior high school students traveling to the show and we brought home 35 certificates for

outstanding work,” said Mary Beikman, art instructor.

While there, the students toured the Department of Art, the annual Student Honors Exhibition; and enjoyed presentations in graphic computer, interior design, ceramic and blacksmithing.

The school administration also treated the students to lunch.

“St. Francis should be proud of

their students as they are talented as well as being extremely well-behaved and polite,” Mrs. Beikman said.

She went on to add that many of the art pieces were enhanced by frames and mountings paid for by the parents.

ment of Art; Kathleen Kuchar, Professor Emeritus, and Darrell McGinnis, Professor Emeritus, both of Fort Hays State University.
