Eagle Scout project begins

By Karen Krien

karenk@nwkansas.com
Scout, Matt Whitmore is completing his requirements for the Eagle rank by landscaping three areas at the St. Francis Community High School. Located just west of the gymnasium, the landscaping will include 17 trees and shrubs, all in the evergreen variety. The ground will then be covered with weed barrier and rock.

Matt, who will be a junior this year, talked to the school administration about a community service project which would help him achieve the rank. The landscaping was suggested and the school will pay for the materials.

Helping him are Logan Whitmore, Russell Rogers, Shawn Warren, Scott Ford and Gavin Smull. The project will take approximately 10 hours.

Matt has been a Boy Scout for 10 years. He became a Cub Scout when he joined Pack 287 in Colorado Springs as a Tiger Scout in the first grade. After moving to St. Francis, he joined Pack 120 as a Webelo Scout. In 2002, he earned the Arrow of Light, which is the highest rank in Cub Scouting. He then became a Boy Scout in Troop 120 and has earned the ranks of Scout, Tenderfoot, 2nd Class, 1st Class, Star and Life. He is now working on his
