Oberlin and St. Francis were involved in a low-scoring junior high football game on Thursday in Oberlin. The final score was Oberlin 6, St. Francis 0. The Sainty team goes into a game with Dundy County today (Thursday) with a 0-1 record.

For the 15 seventh graders on the roster, this was the first of many sporting activities between now and high school graduation where they will be wearing the green and gold.

"It is always tough to start the season with a loss," Coach Jeff Beims said. "Our defense played pretty well, and gave us chances to win. The offense on the other hand needs some work.

"I think we learned some valuable lessons in Oberlin that will help us down the line."

record. Hoxie defeated St. Francis in the first match, but the Lady Indians turned things around and outscored Golden Plains in the final match of the day.

In the Hoxie game, St. Francis lost by the scores of 15-25 and

"We got off to an awful serving start, missing our first three serves of the first game," Coach Kent Kechter said. "It seemed contagious and the trend continued all evening. We must serve much better. Joni (Pevler) did a great job of serving throughout both matches.

"It seemed like we were pretty nervous when the evening began. I guess that might have been expected due to our inexperience, but when the match starts, you've got to be ready to go. We showed continual improvement throughout the evening, but never did play like we are capable of playing.

"Everyone made some very good plays, but our consistency in passing and setting made it difficult to generate any kind of consistent attack.

"In game two, Hoxie defeated us soundly, but we played better than we did in game one. Hoxie played much better also and we had trouble keeping with their consistent offensive attack."

Only service statistics and points scored are available for these matches.

Having the best serving percentage was Joni Pevler with 100 percent, making 2-of-2. Two players were 80 percent against Hoxie, Elizabeth Gienger and Aly Marin were 4-of-5 each. Others with good serves include Jami Pevler with 3-of-4 for 75 percent; and Aubree Schlepp and Kaycee Williams were each 50 percent with Schlepp being 2-of-4 and Williams 1-of-2.

vs Golden Plains

St. Francis won the first game of the match, Golden Plains won the second game but the Lady Indians prevailed for the win with a final game win of 25-16.

"This group of girls has a lot of ability," Coach Kechter said. "We just need to keep working to improve our skills and confidence."

In this match, Joni Pevler had 24 serving attempts and she was successful all 24 times. Before the match was over she had scored 19 of the teams points including one

Gienger, 7-of-9 for 78 percent, Jami Pevler, 4-of-6 for 67 percent, Taryn Richard, 2-of-3 for 67 percent and Schlepp, 2-of-4 for 50

Service points: Joni Pevler 19, Marin 5, Williams 5, Gienger 3, Jami Pevler 3, Schlepp 2.
