

In northwest Kansas Prong-horned Antelope like this buck spotted in Logan County can be found mostly south of I-70 and west of U.S. 283 where the state has a hunting season the first week of October.

— Photo by Tom Betz/The Goodland Star-News

- Nonresident hunters are required to select one season (archery, muzzleloader or firearms) at the time of application.
- Scopes are allowed for early muzzleloader deer season.
- Knapped broadheads allowed during the archery deer season.
- Crossbows are allowed for deer hunting in the firearm season.

Printed copies of the 2008 Kansas Hunting and Furharvesting Regulations Summary are available at department offices and license vendors around the state.

Regulations are online at [www.kdwp.state.ks.us/news/Hunting/Hunting-Regulations](http://www.kdwp.state.ks.us/news/Hunting/Hunting-Regulations), click on the link below the picture of the summary booklet.
