Haigler News

By Floy Fisher

A few patches of snow in shady places is all that remains of the approximately 7 inches of snow that blanketed Haigler earlier in the month. Several days of sunshine and temperatures in the 40s and 50s have been appreciated. Many Haigler residents have been enjoying the cold and snow by staying indoors, keeping warm.

Christmas decorations have been, or are in the process of being taken down, and stored for another year. However, for some, the holidays were not quite completed. This was true for the

Collicott sisters (LaNeta Carlock, Myrna Mulligan, and Galena Webster). Travels and busy schedules meant the three sisters had not yet celebrated their traditional Christmas gathering. So, weather cooperated, and the sisters drove to "the cabin" in Estes Park, Colo., to celebrate their 2010 Christmas. After a most enjoyable weekend, including a delivery of gifts by Santa Claus, the sisters returned to Haigler Sunday evening.

Guests in the home of MerryLu and Bob Simmons on Sunday in-

cluded Dwight Wall of Lewellen and Laura Pearl Wall.

Deloris Zuege's sister came down from Longmont and spent a few days with her during the holidays. Also Deloris's daughter, Louise and husband, Harry Thomsen, from Watts, Okla., visited for a few days.

Floy Fisher's most exciting visitors this last week was a pair of cardinals enjoying the bird feeder.

Dark Harbor

By Stuart Woods

In Dark Harbor, Maine, Stone Barrington discovers a picturesque town where the shocking deaths of three people have cast a long shadow over this island haven, a locale as mysterious as it is exclusive. Stone Barrington hasn't heard from his cousin, Dick Stone, in years, though he has fond memories of a teenager summer spent at his house in Maine. But then the CIA's Lance Cabot interrupts an otherwise pleasant meal at Elaine's with news of Dick's death, apparently by his own hand. It seems

that Dick Stone, a quiet family man who doubled as a CIA agent, methodically executed his wife, daughter, and then himself, or did he?

With the help of his ex-partner, Dino, and his friend Holy Barker, Stone must piece together the elusive facts of his cousin's life and death as a CIA operative. Dark Harbor offers us the perfect mix of sexy intrigue and swift suspense that legions of fans have come to expect from master storyteller Stuart Woods.
