## St. Francis athletes place at track meet

Quinter, Rawlins County and St. Francis competed in a junior high track meet in Atwood on Thursday, April 28.

The smaller field of contestants provided a good opportunity for many of the athletes to place in the top six in the events. It was especially helpful for the seventh graders, who could gain additional experience.

St. Francis had a number of participants who placed. Rather than four teams, the seventh and eighth grade girls combined to form a team as did the seventh and eighth grade boys.

New records were set by McKayla Taylor in the eighth grade girls 200-meter hurdles with a time of 33.34. She previously held the record with a time of 35.82.

Also on Thursday, McKenzie Taylor set a new seventh grade girls record in the 100-meter hurdles with a time of 17.56. Her old record which was the school record was 17.61.
