Hats Off To Our Beef Industry

Kansas ranked 2nd nationally with 6.3 million cattle on ranches and in feedyards as of January 1, 2011. That is a little over twice the states's human population of over 2.818 million.

Our beef is better... Better for you. Better for ranchers. Better for the community.

Enjoy USDA Choice Beef

Steak is the single most popular beef dish in-home, eaten more than once a month by the average person. Hamburger is the second most popular in-home item.
