Seniors receive more scholarships

Seniors from Cheylin High School and St. Francis Community High School are among the students who will receive one of the 184 scholarships given by the Pete Henry Foundation. This is the seventh year that the foundation is giving renewable scholarships.

This year the renewable scholarships are for \$1,500 for each semester for eight semesters. Other scholarships for renewable and vocational scholarships are for \$2,500, \$2,000, \$1,500, \$1,000 and \$750.

The Pete Henry scholarship was created through the generosity of Pete Henry who was a farmer for many years in the Brewster area. Pete had an inquiring mind and knew the value of hard work, thrift and good management.

He was born in 1910 and was raised on a farm near Campbell, Neb. His mother died when he was 13 and his immediate responsibility was to care for and manage the household for his four younger brothers and sisters while his dad struggled to earn a living. Pete left Nebraska for California when he was 21. Times were hard. He slept in cars, washed dishes for food and eventually rented a garage for \$6 a month to sleep in.

He signed on with the Civilian Conservation Corps forest service to harvest trees and build roads. The forester recognized Pete's innate engineering talent and assigned him the responsibility of being the librarian where he immersed himself in a surveying course. He became the head of the surveying crew which built many roads and fire lands in the Sierra Nevada Mountains.

Later in the 1930s, Pete was hired by Douglas Aircraft Company to work in the engineering department designing and constructing fighter planes. All of this was accomplished with only an eighth grade education.

The 1940s found Pete in and out of the Army Air Corp where he was flight engineer of the B-17, B-24 and B-29 aircraft. He also participated in top secret training, with some of the airmen from his base being the ones that dropped the atomic bomb.

In 1949, Pete rented ground south of Brewster from former neighbors in Nebraska. Pete, always the keen observer, adapted his Nebraska farming

experiences to western Kansas. He never farmed prime cultivated land: he saw each acre as unique and managed each type of soil differently to achieve maximum productivity. He watched his neighbors and learned from their successes and mistakes, managed his money frugally, investing in good machinery and income-producing assets but lived a spartan life himself. He provided essentially all the labor on the farm until he was 88-years-old and, until his death in 2002, made all the management decisions.

His dream was to assist local students to further their education. He established a foundation to award academic and technical training scholarships. If you are a self-starting, determined individual with leadership and work experience from Cheyenne, Decatur, Gove, Logan, Rawlins, Sheridan, Sherman, Thomas and Wallace counties you are encouraged to apply.

He hoped to give others the opportunity to fulfill their dreams.

Cheylin and St. Francis students and their scholarship amounts include:

- \$1,500 each semester for eight semesters: No Cheyenne County students.
- One time \$2,000 vocational/technical school or college scholarships: St. Francis: Garrett Figgins, Tye Gilliland, Brooks Hobrock, Trevor Reed, Nicholas Smith.
- One time \$2,500 scholarships: No Cheyenne County students.
- One time \$2,000 scholarships: St. Francis: Mikaela Grace; Cheylin, Christopher Walden.
- One time \$1,500 scholarships: St. Francis: Jodie Hilt.
- One time \$1,000 scholarships: Cheylin: Craig Busse, Jared Cahoj, Teryn Carmichael; St. Francis: Ryan Draper, Christina Hilt, Shayla Hilt, Alyson Marin, Cody Sherlock, Sarah Trembley.
- One time \$750 scholarships: Cheylin: Heath Antholz, Whitney Churchwell, Samantha Robertson; St. Francis: Adam Guthmiller, Robert Herman, Brandon Keeker, Cody Killingsworth, Brett Lampe, Tyler Lauer, Jaly McCauley, Ryan Owens, Aubree Schleppe, Braden Schmid, Zach Zweygardt.
