# Auto company gives scholarship

Tyler Lauer, a 2011 graduate of St. Francis Community High School FFA, has been awarded a \$1,000 scholarship by Yost Ford Mercury and Ford Motor Company. Lauer's parents are Gerald and Dawn Lauer of St. Francis. Tyler plans to study agronomy and crop science at Nebraska College of Technical Agriculture.

**Lauer**

The Built Ford Tough Trucks FFA Scholarship Program is designed to recognize FFA members' talents and accomplishments while encouraging their future academic achievements.

The scholarship is one of 526 scholarships awarded by Ford Division, Ford Motor company Fund and Ford dealers to FFA members who are high school seniors planning to attend college in the fall of 2011, as well as current collegiate students. This program is a part of Ford's overall commitment to the National FFA Foundation.

Additionally, five National \$1,000 Built Ford Tough scholarships are being awarded on behalf of Ford Motor Company. Ford Truck sponsors these five scholarships as a special project of the National FFA Foundation.

Ford has supported the National FFA Foundation since the first F-Series truck was introduced in 1948, and has sponsored the Built Ford Tough collegiate scholarship program since 1997. To date, the program has awarded more than \$6,586,000 in scholarships to

more than 6,586 FFA members throughout the country.

Ford knows the value of hard work and believes that hard work should be rewarded. Educating aspiring young people to become the leaders of tomorrow is just another way of ensuring a successful future.

The National FFA organization, formerly known as the Future Farmers of American, is a national youth organization of 523,309 student members as part of 7,487 local FFA Chapters in all 50 states. The FFA mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

A scholarship was also given to Craig Busse, a Cheylin graduate.

# HAIL

**Continued from Page 1**

bridge west of St. Francis and ended about 2.5 miles east of St. Francis.

The road graders were out, clearing the hail off the highway. Mr. Lee said that around the car wash east of St. Francis, there was about 6-inches of hail.

He also advised those traveling should keep track of weather conditions.

Over the weekend, tornados destroyed much of the small town of Reading and about one-third of Joplin, Mo. In this week's Herald, there is a page dedicated to preparations needed in case there is a tornado. Take time to read the page and be prepared.

Kathy Woodcox, official weather observer, reported a total of 1.84 inches moisture during the week. On Wednesday, May 18, she re-

ported a high of 48 and a low of 47. The low temperature dipped to 42 degrees the following day.

Date	High	Low	Prec.
May 17	73	46	.25
May 18	48	47	.27
May 19	63	42	.72
May 20	68	43	
May 21	75	47	
May 22	81	52	
May 23	81	52	.60

# NAME

**Continued from Page 1**

"That is our benchmark. Bella, a longtime family first name, is my daughter's name. Our commitment is to our communities families, and to building our community and being a part of it."

In the last three years alone, Village Markets has given over \$14,000 to several different organizations in the St. Francis community and over \$120,000 to all of its communities combined. It expects to continue that giving campaign.

"You don't see Walmart, Dollar General or Family Dollar giving that much - if anything to our communities" he said.

"We are committed to our communities and have demonstrated that commitment by truly giving back to them," Mr. Carman added. "We aren't looking for a pat on the back for this giving, only for the awareness that we are doing it and for our customers to remember that when they shop with us it goes back to their community in both donations and taxes. We plan to keep doing it as long as we can."

The name change will also come with new uniforms and several events at the store throughout the year. Due to the cost of signage, the signs on the outside will be changed as the year goes along.

The group is also focused on improving its customer service. They have implemented a "Secret Shopper" program whereby the store gets rated on certain metrics so the store manager can see where they need to focus training or store displays.

Our goal is to be the best store and great employer in our communities. As an employer, we provide a full range of medical benefits and have implemented a new training program across our stores.

Changing the name to Bella's Market is just the start of something special for us. We are eager to make this change and to better reflect what is most important to us and our employees - our customers."

Village Markets owns Colorado stores in Akron, Wray, Haxtun, Stratton, Limon, Wiggins, Walden (North Park) and the Kansas store in St. Francis. It plans to open a new store in Goodland this fall.
